It is an Excellent Tonic, and is particularly recommended in that low state of the system resulting from the attacks of fevers and other debilitating diseases, and in hose cases of "Weak Stomach" so prevalent among persons advanced in years, as it gives tone and strength to the Digestive Organs, and by its stimulative influence in e Stomach, diffuses a cordial warmth, thereby gradually xhilirating the whole system.

It will be found highly beneficial in cases where a pre

disposition to Rheumatic affections, or of Gout, exists, and to the sufferer from Dyspepsia. It speedily removes Colic, Cramps and Pain in the Dose. - From twenty drops to a teaspoonful when required. Prepared by HANINGTON BROS., CHEMISTS, Foster's Corner, St. John, N. NOTICE TO CONTRACTORS. BAIE VERTE CANAL. INTENDING Contractors are hereby informed, that

about January next, Tenders will be received for the works connected with the construction of what is called the Baie Verte Canal, to connect with the Bay of Fundy and the Gulf of St. Lawrence.

Commencing near the outlet of the River Au Lac, the line follows in a South Easterly direction to a point between Tongue's Island and Fort Cumberland; thence in a nearly direct course along the valley of the Missiguash, to a place between Hackmatack Lake and Miner's Point; thence curving round still further to the South East to the Main Line of the Tidnish River, near Chapell's Farm, where it takes a North Easterly direction to near the mouth of the River, and then crosses Tidnish Head in an Easterly course to deep water in Baie Verte.

The work will be divided into Sections suited to circumstance and the locality. and the Gulf of St. Lawrence. umstance and the locality. The outline of the route above indicated will enable Contractols to examine the dry portions of the line before winter sets in, and those parts through bogs after the ground is sufficiently frozen.

To facilitate this examination, a Lithographic map of the locality will be furnished on application by letter, or otherwise, to this office,
When plans and specifications, and other documents are prepared, due notice will be given; Contractors will then have an opportunity of examining them, and be furnished with Blank Form of Tender at this office, or at such places as may be designated. By order, F. BRAUN, Secretary.
