A WORD TO FREE BAPTISTS.

Resolution unanimonsly passed by the last General thy work." Conference, held in October, 1873: " Resolved, That this General Conference desires

" to give expression to its approval of the able and "judicious manner in which the RELIGIOUS INTEL-

to urge them to more diligent efforts to increase the number of subscribers of the paper. It is not an improper assumption on our part, to say that the INTELLIGENCER has special claims on Free Baptists. It is the only paper which makes any note of the doings of their ministers and churches; and it is set for the defence and advocacy of their principles. There are Free Baptists enough in New Brunswick and Nova Scotia, to give it a list reached. of four thousand subscribers. This number might be reached, we believe, if a judicious, persistent, and general canvass were carried on. The price is in the Dominion. Its News Department is much | tians to be importunate at the throne of grace. fuller than religious papers generally have-which fact makes it peculiarly adapted to those who are able to take but one paper. Its general reading is pronounced as good as that of any, and better than New Year's Greetings-Watch-night Services-" The the majority. As a safe and instructive family paper, it is acknowledged to be second to none; that it is acceptable to all classes of christians, is proven by the fact, that nearly, if not quite half its subscriber belong to other denominations than our own. We state these thinggs that it may be clear that we do not seek to impose an inferior simply on the ground, that it has the endorsement always acceptable. Do not cease trying because the Lord." you have not yet succeeded.

pulpit also, you might speak in its behalf. Remember that every Free Baptist ought to take the INTELLIGENCER; and use your influence to that INTELLIGENCER in a very short time. Let it be
