1874. NEW YEAR'S CARD. 1874.

J. CHALONER. THE Manager of the Drug Store, Brick building, coner King and Germain, begs most thankfully to ack-nowledge the numerous favours of the past year, especi-ally that of the fourth September, when a kind Providence graciously permitted the efforts of the Fire Departmen and others to be successful. He wishes all his customer health and happiness, and when necessary to visit th

PRINCE EDWARD ISLAND AND NOVA SCOTIA. WINTER MAIL SERVICE.

PENDERS addressed to the Postmaster General will De received at this Department, until 26th February, proximo, for the conveyance of mails between Prince Edward Island and Nova Scotia, during the winter season. The service will require to be performed by a spar decked screw propeller, about 150 feet long over all, depth of hold, 16 feet, extreme breadth, 25 feet, brigantine-rig, to class A 1 at Lloyde. Contents in the class A 1 at Lloyde. o class A. 1 at Lloyds. Centre line and outside fasten ings of boat should be of yellow metal, and must be protected with iron, or iron wood, adapted for going through neavy ice. She must have good cabin accommodation or thirty passengers, and be provided with a direct acting ompound engine of sufficient power to guarantee her speed of 12 knots per hour. Tenders must specify rate per season from closing of navigation at Charlottetown, until paddle-wheel steamers

resume trips in spring (ranging generally from 1st Docember till 1st May.) The boat to be ready for service by the 20th November of the present year, and to be under all practicable orders of the Post Office authorities as to sercice to be performed, but it is intended as far as possible the trips should be made between Georgetown, P. E. I., and Pictou, or other convenient points in Nova Scotia. The contract to extend over a period of ten years. Should the steamer offered be not strictly in accordance with a power description. above description, full particulars of her size, rig, fasten-ing, protection, character of machinery, and passenger modation must be given. Any further information may be obtained by applying at this Department, or at the office of R. Sloggarts, Esq., Lloyd's Agent, Charlottetown, P. E. Island. Satisfactory security will be required for the perform-The Postmaster General will not be bound to accep-

the lowest or any tender. WILLIAM WHITE, Post Office Department, Ottawa,) 12th January, 1874. MAIL CONTRACT.

SEALED TENDERS addressed to the Postmaster General, and marked "Tender for Mail Service," wil be received at Ottawa, until 12 o'clock, noon, on WED-NESDAY, the 18th March, for the conveyance of Her Ma-jesty's Mails, once per week each way between WAY OFFICE WELDFORD

AND

WAY OFFICE GASPEREAUX. The Conveyance to be made in suitable vehicles, drawn y one or more horses. The route pursued in the conveyance of this Mail to be om Way Office, Weldford, via the Beckwith Road, to the vay Office at Gaspereaux, and back again by the same oute, serving all the Way Offices on the route or which nay hereafter be established. The computed distance is hirty-six miles. The rate of travel to be not less than five miles per hour, including stoppages for all purposes.

The days and hours of Arrival and Departure will be determined upon hereafter, subject to a right of the Postmaster General to alter the same should be consider it ad-

upon record that positive y cures CONSUMPTION and BRONCHITIS. We have many palliatives, but correspondence for the rest of Australia, and for the Fiji Islands, will be liable to a should the public interest in his opinion require it—upon further charge on delivery.

EATON'S ACTUAL BUSINESS COMMERCIAL COLLEGE. Ritchie's Building, St. John, N. B. THE COLLEGE is designed to educate young men for the various pursuits of life, by means of a complete system of ACTUAL BUSINESS Training The course of study is comprehensively effective and interesting, and adapted not only to such as have enjoyed the best educational advantages, but also to those whose education is defective from want or neglect of early opportunities. Every young man, no matter whether he intends to be a MERCHANT, BANKER, FARMER, MECHANIC, or to enter one of the learned professions, should have a good knowledge of business forms and usages, be well acquainted with the uses of commercial paper, and the laws which govern trade, and possess a clear and comprehensive knowledge of bookkeeping, which will enable him in after years so to average and classific his him, in after years, so to arrange and classify his transactions as to be able to grasp, with equal ease, the minutest detail and the exact result of the most extensive operations. If such knowledge were general, not to say universal, it would not only promote economy and thrift, by introducing order system and management. ntroducing order, system, and management; but it would essen anxiety and litigation, and largely increase the comfor, happiness, and enjoyment of life.
