The Peruvian Syrup, a Protect-

ed Solution of the Protoxide of

Iron, is so combined as to have

the character of an aliment, as

easily digested and assimilated

with the blood as the simplest

food. It increases the quantity

of Nature's Own Vitalizing Agent, Iron in the blood, and

cures "athousand ills," simply

ly Toning up, Invigorating and

Vitalizing the System. The en-

riched and vitalized blood per-

meates every part of the body,

repairing damages and waste,

searching out morbid secre-

tions, and leaving nothing for

This is the secret of the won-

derful success of this remedy in

curing Dyspepsia, Liver Com-

plaint, Dropsy, Chronic Diar-

rhœa, Boils, Nervous Affections,

Chills and Fevers, Humors,

Loss of Constitutional Vigor,

Diseases of the Kidneys and

Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or ac-

companied by debility or a low

state of the system. Being free from Alcohol, in any form, its

energizing effects are not fol-

tion, but are permanent, infu-

lowed by corresponding reac-

disease to feed upon.

workmanship and precision of chronometers turned out by Genevese ma ufacturers, and none but those adopted for pocket use were admitted. were deposited in charge of the authorities at the Observatory, and underwent the most searching ordeal possible to be applied to pocket instruments of this class. The jury specially retained to decide the difficult question as to whom to award the palm of excellence unanimously de-cided in favor of Messrs. J. M. Badollet & Co. This firm having carried off the sole prize by exhibiting a ebronometer which fulfilled in the highest degree every condition required, crowned their first success by gaining honorable mention for two other chronometers. The allusion to this triple honor was received with enthusiastic applause, and Professor flumbert. President of the Fine Arts Section closed the meeting with happy and humorous. dissertation upon subjects connected with this department. An assortment of GOLD AND SILVER WATCHES, of different grades, from the eminent manufacturers above
