money owing by subscribers who have received the It is only a special personal favour that we are permit. knew what it is to count narrowly the buying ries of favor, deliverances, blessings. "He paper, but who have not paid. We cannot think there is a single person who has been receiving the paper who would *intentionally* withhold the pay-ment of an honest debt. That they have not paid long ago, we attribute to neglect, a habit very com-neglect, a habit very com-neglect, a habit very com-long ago, we attribute do neglect, a habit very com-long ago, we attribute to neglect, a habit very com-neglect a make the following liberal offer: To anyperson who will furnish us with FIVE NEW SUBSCRI-BERS we will send the Chromo described. To anyperson who will send the Chromo described. The fear of the Lord is the beginning of wis-to anyperson who will send the Chromo described. The fear of the Lord is the beginning of wis-to anyperson who will send the Chromo described. praise for ever and ever. and embarrassment. No subscriber desires this, mos, hence the necessity that persons who wish to secure cant is now great; the practice that hardly

Dry Goods, and embarrassment. No subscriber desires this. They can prevent it. How? As soon as you have read this reckon how much it will take to pay your arrears and the subscription for this year, and the amount to us by the next mail. Do not send the amount to us by the next mail. Do not time present than one of these Chromos. Send along your stop to think what A or B may do; do not imagine orders promptly. up and been provided for; and though the cup never was large or bejeweled, it never was that all the rest will pay and that if you wait A PREMIUM WORTH THE EFFORTS OF PASTORS empty. "Wherefore remember !"

5 And there have been enjuitual her ONE VEAD AGO TO DAY

and natural, the rounded arms are especially well fore shortened, and the coloring brilliant and warm, yet not glaring. Through an open door, four other figures are seen, making up the family group, while the well-filled shelves and scattered volumes around the fair student, and other details of the picture in dress and ornament are side ' the daughter of the house.' One might imagine this to be 'an inside view,' a memory of the same days of

day by leaving anything unusual tobe done to morrow. I mentioned it to Bridget on Mon-day, hoping she would help me to bring it word. Our translators have most incorrectly about. Now I cannot think it was intentional, rendered it "trembled." But there is no still it is none the less true that she was behind | thing about trembling or any other bodily sen-THE "INTELLIGENCER!" THE "INTELLIGENCER!" Eatering upon this year with a considerably en-arged paper, and expenses increased in proportion, arged paper, and expenses increased in proportion, made much extra work in cleaning. Tuesday ternal feeling, and not an external shudder. An accurate reading of the verse would be: society as it was my turn to provide the "And as Paul discoursed of rightness, purity supper. Of course it took me all the forenoon and the judgment to come Felix was afraid !" to prepare, and Bridget must stay with the That was all. But that was enough. Such to prepare, and Bridget must stay with the children. Wednesday, the postponed ironing had to be added to the rest of the work. Thursday, Cousin Lucy with all her family came from the city to spend two days with us. Last night, after they went away, Annie came from school with a sick headache, and Johnnie with a hideone rent in his overgeat both de with a hideous rent in his overcoat, both de- ture anywhere to be found than this one-of with a fideous rent in his overcoat, both de-manding immediate attention. In the night, baby was taken with the croup. This morn-ing, after a sleepless night, I undertook the day's duties. All the week's work seemed crowded into the space of one short winter's day, with a fretful baby to carry about, and the accumulated weariness of a week's hard work. This afternoon Mrs. Piper came in to work. This afternoon, Mrs. Piper came in to Felix was afraid of was-himself! Still more, take tea with us; she was full of news as he was afraid of God. He saw himself to be usual, and her constant chattering grated an unrighteous, unclean, and guilty man, con-harshly upon my already overstrung nerves. victed of his own sins, and exposed to a Here the week's mending challenges me for the evening, and I see that no time for calm, quiet reflection can come to me to-night." righteous and a certain retribution. Paul held up before him the flashing mirror ot God's truth, and Felix beheld his own ugly "Is it not comforting to know that God is "natural face" in the glass. As he gazed at near you, and knows it all?" it, he was afraid. If, like another frightened near you, and knows it all?" "Upon that point I was thinking when you man in the prison at Philippi, he had inquir-
