CURE OF EPILEPSY ; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by outting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELFHIA, June 28th, 1867. SETH HANCE, Baltimore, Md. — Dear Sır: Seeing your dvertisement, I was induced to try your Epileptic Fills, i was attacked with Epilepsy in July. 1863. Immediately my pbysician was summoned, but he could give me no rolief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any premonitory sym-ptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with, and was severely in jurce several times from the falls. I fall wherever I would be, or whatever be occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Fills cured me. In February, 1866, I com-menced to use your Fills, and only had two attacks after-wards. The last one was April 5th, 1855, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Fills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my resioccupied wi may nave information can obtain it by calling Pa. dence, No. 836 North Third St., Philadelphia, Pa.
