Gen. Sup't. Gov. Railways. Moncton, 7th June, 1875. june 23 GOVERNMENT HOUSE, OTTAWA, Monday, 14th day of June, 1875.

PRESENT: HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL On the recommendation of the Honorable the shifted of Customs and under the provisions of the 123rd section of the Act passed in the Session of the Parliament of Honorable the Session of the Session of the Parliament of Honorable the Session of the Session of the Session of the Parliament of the Session of the Ses Canada, held in the 31st year of Her Majesty's Reig ered 6, and intitutled: "An Act respecting istoms," His Excellency, by and with the advice of the een's Privy Council for Canada, has been pleased to der, and it is hereby ordered, that the following Regul ions respecting the Bonding Warehouses in the Do nion be, and the same are hereby adopted and estab ished, that is to say :-

REGULATIONS. ARTICLE. I-Warehousing for the storage of importe class 1.—Stores occupied by the Government

Class 2.-Warehouses occupied by importers exclu wely for the storage of goods imported by, or consigned of them, or purchased by them in bond.

Class 3.—Warehouses occupied for the general storage Class 4.—Yards, sheds, and other buildings used for ne storing and slaughtering of animals in bond.
Class 5.—Warehouses exclusively for the manufacture INTERNATIONAL STEAMSHIP COMPANY. Class 6.—Sufferance Warehouse.

Applications for the establishment of Bonded Warehouse ARTICLE II .- For a Warehouse of the second or third class, the owner shall make application in writing to the Collector of the Port, describing the premises, the location and capacity of the same, and stating the purpose for which the building is to be used, whether for the storage of merchandize imported by or consigned to him-self exclusively, or for the general storage of merchandize

The Collector will thereupon examine or direct the Surveyor or other proper officers of Customs, in whom he can repose confidence, to examine and inspect the remises, and report to him in writing, the particulars of he location, construction and dimensions of the building, its capabilities for the safe keeping of merchandize nd ad other facts bearing upon the subject. When the examination has been made, the Collector will transmit the report, together with the proprietor's application, with his own report as to the necessity of granting the application to the Commissioner of Customs.

ARTICLE III—If on examination of the foregoing ocuments, the Minister of Customs is satisfied that the public interest will be subserved thereby, the application will be granted, whereupon the owner or occupier wil e notified by the Collector, and on fulfilment of the conlition hereinatter provided, the Collector will assign a number for the Warehouse and add the same to his r gister, placing a Warehouse Locker in charge thereof. Warehouses of Class 1.

ARTICLE IV .-- At all ports where there are Govern nent stores, they shall be used for the examination and Dr. Chase's Steam Printing House, Ann Arbor, Michigan. appraisement of imported goods, and where there are no such stores, the Collector may, under direction of the Minister of Customs, make temporary arrangements for suitable premises for those purposes, or may deposit such unclaimed or seized goods in any Warehouse of Class 3.

Warehouses of Class 2. ARTICLE V .- A Warehouse of Class 2 shall consist an entire building, or not less than one whole floor o uch building, and in the latter case must be so arranged as that the Custom locks will prevent all access to the door set apart and established as a Bonded Warehouse and no partition of slate shad in any case be allowed, but all the divisions between the part of a building occupied as a Warehouse, whether door or partition, shall be of the most solid and secure description possible in each case. Warehouses of Class 3.

ARTICLE VI .- A Warehouse of Class 3, shall in every ease, consist of an entire building, and shall be used solely for the storage of bonded merchandize, or of unclaimed and seized goods ordered thereto by the Collector of The rates of storage and compensation for labor in the handling of Bonded goods in Warehouses of this class.

hall be subject to agreement between the owner or im porter of the goods, and the proprietor of the Wareho who will collect all amounts due for storage and labor, he duty of Collector or proper officer of Customs being after the safe custody of the goods for the secur Should the Collector of Customs require to deposit in any such Warehouse, unclaimed and seized goods, the charges for storage and labor thereapon, snah not exceed the regular rates, and the proprietor shall be liable as in other cases, for their safe keeping. ARTICLE VII.-All Warehouses, either Class 2 or Class 3, shall be secured by Custom locks, provided by the Department of Customs; but this will not prevent the

proprietors or occupants of the building from having creatures, to strong, healthy, happy men and wemen july 16

Applications for Warehouses of Ciass 4.

ARTICLE 1X.—Application for the establishment of a Warehou e of this class, shall be made in the same manner as for Class 2 and 3, and shall be subject to the egulation adopted by Order in Council of 7th May, 18:5. Class 5. - Warehouses for refining Sugar in Bond. ARTICLE X .- Applications for the establishment of

the application and description shall be submitted for approval of the Minister of Customs, before acceptance, as n the case of Warehouses of classes 2 and 3. Class 6. - Sufferance Warehouses. ARTICLE XI.-Warehouses of this class for the acommodation of steamers and other vessels may be es-

ating thereto of 23rd October, 1868. Sufferance Warehouses at Railway Stations and Depots shall be established in accordance with section 1 of Order in Council bearing date 4th 1866, and shall be subject to all the rules for safe keeping of merchandize stored therein, provided in the case of warehouses of any other ARTICLE XII.—The proprietor of every warehouse of Class 2 and Class 4, shall pay for the privileges granted hum in the use of such warehouse, the sum of forty dolars per annum, in half yearly payments in advance to the

The proprietor of every warehouse of Class 3 and Class ster of Customs at the time of accepting the proprietor's

application.

all the foregoing payments shall in future date from the establishment of each warehouse, and in the case of warehouses already established in the ports named in the Order in Council of 25th June, 1809, from the expiration of the time for which the proprietors have already paid, and in all other ports, in the case of warehouses already established, but not heretofore subjected to any property of the case of warehouses already. established, but not heretofore subjected to any payment from the first day of July, 1875, and no warehouse of either of the classes named in this Article, shall be re cognized by the Collector of Customs as an established warehouse, until or unless the said quarterly payments are made within not over ten days after the proper date. General Provisions. ARTICLE XIII.-No alterations can be made in any

Sonded Warehouse without permission of the Collector of Customs, and if any material change in the premises contemplated, it must be submitted for approval of the The Collector of Customs shall advise the Commissioner of Customs, of any changes in the surroundings of bonded premises, like y to affect their general secu ity, and it barned or plundered, immediate notice must be given to the Commissioner with full particulars of a Proprietors of Bonded Warehouses may relinquish the ouslass at any time, on giving timely notice to the owners of merchandize deposited therein, but no part of any marterly payment made by them shall be refunded for ay portion of a term expired.
The Minister of Customs may at any time, for reason

ble cause, order the discontinuance of the right to store bonded goods in any premises established as a Bonded Warehouse; and when thus discontinued, such warehouse can only be re-established after renewed application as Plans and Specifications can be seen on and after Wed. at first. All moneys received from the proprietors of warehouses as provided in Art. 12, shall be paid over by the Collector of Customs to the Receiver General, and shall form part f the Consolidated Kevenue of Canada. AKTICLE XIV .- The Collector of Customs will cause the proprietor or occupant to place over the gate or door leading into, or on some conspicuous place on every Cussignature, the nature of the occupation and the place of toms Warehouse, a board or sign, with the following

> Customs Warehouse." lations, dated 30th March, 1850, and the Order in Council, dated 25th June, 1869, relating to payments for the privilege of using stores as Bonding Warehouses in certain ports are hereby repealed.
