NOTICE TO CONTRACTORS. BAIE VERTE CANAL.

TNTENDING Contractors are hereby informed, that L about January next, Tenders will be received for the works connected with the construction of what is called the Baie Verte Canal, to connect with the Bay of Fundy near the outlet of the River Au Lac, the ine follows in a South Easterly direction to a point between Tongue's Island and Fort Cumberland; thence in a nearly direct course along the valley of the Missiguash, to a place between Hackmatack Lake and Miner's Point; thence curving round still further to the South East to the Main Line of the Tidnish River, near Chapeli's Farm, where it takes a North Easterly direction to near the mouth of the River, and then crosses Tidnish Head in an Easterly course to deep water in Baie Verte.

The work will be divided into Sections suited to circumstance and the locality. The outline of the route above indicated will enable Contractols to examine the dry portions of the line before winter sets in, and those parts through bogs after the ground is sufficiently frozen. To facilitate this examination, a Lithographic map of the locality will be furnished on application by letter, or When plans and specifications, and other docume ts are prepared, due notice will be given ; Contractors will then have an opportunity of examining them, and be inraished with Blank Form of Tender at this office, or at such places as may be designated.
