EAST INDIA HEMP.

And What We Know About It. Instead of devoting a column to the merit of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it POSITIVELY CURES CONSUMPTION, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany City, Pa., ? Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Binder, O. S. B , and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this Church, and so far has given Bed Room Furniture, Parlor Suits, Ship Furniture, relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, through charity to sufferers, the Cannab's Indica to different per sons, and continue the same in good conscience, knowing twelve bottles of syrap, pills and ointment. We shall inform you in due time what further success the medicine

shall meet with. Yours, truly,

Rev. FERDINAND WOLF, O. S. B. 87 Washington Street.

CHINA GROVE, ROWAN CO., N. C.,) October 21, 1874. ----- : Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me

for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried; COAT and HAT RACKS. | in many cases it acts like a charm.

Fraternally yours, and al P. A. SIFFORD, M. D.
