BOOKS RECEIVED BY THE NEW YORK PUBLIC LIBRARY
By the author of "SCIENCE AND THE FUTURE,"
man, woman and child want to read it. It gives
discovery of Science in harmony with nature. It will
disprove the Tynall assertions and destroy
the basis of his Faith. The first volume contains
pages 60, second 77, third 93, last work. HINTS
to read well. Everybody has it. Avoid the
common mistake of buying books without reading
territory fit for book, that says because the people
and want it.
