FITS! FITS! FITS! CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him. A MOST REMARKABLE CURE.

A MOST REMARKABLE CURE.

Philadelphia, June 28th, 1887.

Seth Hance, Baltimore, Md. — Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1883. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1805, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 836 North Third St., Philadelphia, Pa.

William Elder.

IS THERE A CURE FOR EPILEPSY?

The subjoined will answer.

GRENADA, Miss., June 30. — SETH S. HANCE. — Dear Sir:

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

BY HANCE'S EPILEPTIC PILLS.

MONTGOMERY, Texas, June 20th, 1867.

To Seth S. Hance.—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had those attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. Itried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial. I have great confidence in your remedy, and would like every one who has fits to give it a trial. B. L. DEFREESE.

STILL ANOTHER CURE. Read the following testimonial from a respectable citizen of Grenada, Mississippi.

SETH S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Ligon.
