-THE BROOKLYN CALAMITY .- Brooklyn, N. Y .. week's paper stated the probable loss of life by the burning of the Theatre at one hundred and seventy.five. Each subsequent report increased the number, till now it has been ascertained beyoud doubt that over three handred persons perished. The exact number will probably never be known, for not a few must have been reduced to ashes in the fierce fire. On Saturday a public funeral was given to the unclaimed, unrecognizable remains.
