he had gained. At marbles, like most other boys, or a lad who is untruthful, and a little girl for he did not rest until he had won the stone treasures her playmate one who is unkind or disobedient, or away from his comrades, and when he had filled in any way a wacked child, they are like the roller his own pockets and emptied those of his playmates which took to its bosom the pin. Without their he was satisfied. Sometimes, however, for he had being able to help it, often the evil influence clings a kind heart, he used to feel a slight computction to them, and leaves its mark upon everybody with when he saw the gloomy disappointed faces of whom they come in contact. those whom he had beaten; but it did not appear | That pin damaged irreparably forty hundred to enter his mind that it would be a kind and yards of new print, but bad company has ruined right thing to return some of the marbles to their thousands of souls for whom Christ died. Remember former possessor. "He who wins keeps," he would "one sinner destroyeth much good," therefore have said to any one who would have suggested avoid evil companiens. such an idea as that.

George had no father, but happily for himself and many others he had a good wise mother. Nobody could describe how dearly she loved her boy, and because she loved him she had a great longing that he might grow into an honorable and The sun only looked in there once a day, and that Older children may be warned of this, but the tiseful man. And she used to watch George at his was late in the afternoon. Often Agnes was alone; baby sucks everything that comes in its way. So play. He little thought how often when he laugh- for her mother was very poor, and had to go out we should never allow this coloring to come into ed she sighed, because, she saw indications of a washing and working at the houses of other people. our houses, either in concert tickets, fancy boxes, disposition to be selfish. She knew that the best Whenever she went to Florne's house she took confectionery, or the dresses Mrs. Shem, Ham or and noblest people are those who are content to Agnes with her, and those were her great days. Japheth, in Noah's ark! spend all that they have that others may be made She enjoyed the wide, sunny, kitchen, with the Parents should demand a law to prevent this happy; and she wanted her boy to belong to this brass boiler, so bright that she could see her face use of virulent poison, either on cards, playthings,

So she resolved to help him to overcome the clothespins to play with, and let her taste bits of habit of selfishness. She knew that he would find hot ginger-bread and nice tarts. She had glimpit no easy task, and that she would require to be ses, too, of the beautiful dining-room, where the very patient and pains-taking. But she asked sideboard was covered with silver, and where a God to guide her, and help him, and she was not golden-crested bird fluttered and sung in a silver told him one night that he was to go again to his afraid.

One day George had a basket of very fine plums. down from the parlors up-stairs, where the mistress They were given to him as a reward for some played on the grand plano. Agnes would sit by service which he had done to the owner of the the open kitchen doors while her mother flated piltree on which they grew. George was very pleas- low-shams in the laundry, and it seemed to her ed, for he liked the juicy fruit, and was proud to that she was in Paradise. But what puzzled her have deserved it. He gave some of the plums was this. She often heard a little girl crying. away to his playmates, but his mother observed Not gentle crying, either; but loud, vehement with segret that he selected all the best for him- screams of passion would come echoing down from mit; but don't dead him. self, and gave the small and unripe ones away. the rooms above. Then the cook would say, That evening, when it was almost time to go to "There's Miss Florrie in one of her tantrums again. bed, George and his mother were sitting together; Och, an' its the naughty girl she is, to be sure." and she thought that a good opportunity to have "It's well you never behave that way, Aggie,

some talk with him. " George," she said, " which plums did you give bring you here if you were not a good child." away this morning, and which did you keep ?" George's color rose a little, for he knew that he what Agnes could not understand.

had not been particularly generous. " I kept some of the best myself, mamma, for I and seeing Agnes there, she said, "Margaret, will thought it only right."

" What made it right ?"

"It was right because I myself had earned the plums, and they were given to me."

"You had a right to them, it is true; but would down to her waist, a beautiful white dress on, and it not have been better if you had given them the nurse tying on her, at that moment, a broad, away to your friends ?"

"No, mamma, self first always." "I do not say that, George. I would rather say on her blue sash.

self last."

" That is not my way." " But I want it to be your way, dear boy. What good have the plums done you ?" " Good ! I don't know, but I had the pleasure of

esting them." "And that is all. The pleasure has passed away long ago; and now what have you left? Have you the consciousness of doing a generous, Mrs. Raymond. "Bring her white cloak, and her when boiling stir in it two tablespoonfuls corn- description.

unselfish deed ? Can you be satisfied with that gipsy hat and her little parasol, and I will take her starch dissolved in half cup cold water; then ada "But, mamma, I was not as bad as I might have kitchen. She must stay there with Margaret and yolk of an egg beaten, twelve teaspoons vanilla; THE PUBLIC SHOULD BUY FROM C. E. BURNHAM & CO. been. Some boys would have given none away."
