HANCE: — A person in my employ had been icted with Fits, or Epilepsy. for thirteen years; he had se attacks at intervals of two to four weeks, and oftenmes several in quick succession, sometimes con until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried soveral remedies prescribed by our resident phy-sicilans, but without success. Having seen your adver-issment I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a shout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wargouer, and has, since that time, been exposed to the severest of weather, I have great confidence in your remedy, and would like every one who has fits to give it a trial. I have great confidence in your remeasures every one who has fits to give it a trial. B. L. DEFREESE.
