FITS! FITS! FITS! CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

A MOST REMARKABLE CURE.

PHILADELPHIA. June 28th, 1867.

SETH HANCE, Baltimore, Md.—Dear Sir: Sceing your advertisement. I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times; I was generally attacked without any promonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be pecuapied with. a less senious character. With the blessing of Previdence pour medicine was made the in-trument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my real-stance. No. 858 North Third St. Philadelphia. IS THERE A CURE FOR EPILEPSY?

GRENADA, Miss., June 30. - SETH S. HANCE. - Dear Sir Gernada, Miss., June 20.—Setu S. Hance.—Dear Sir:
Tou will find enclosed five dollars, which I send you for
two boxes of your Epileptic Pills. I was the first person
who tried your Pills in this part of the country. My son
was badly afflicted with fice for two years. I wrote for
and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It
was by my persuasion that Mr. Lyon tried your Pills.
His case was a very bad one; he had fits nearly all his
life. Persons have written to me from Alabama and
Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always
recommended them, and in no instance where I have
had a chance of hearing from their effect have they
failed to cure. Yours, etc.,
Grenada, Yalabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS. BY HANCE'S EPILEPTIC PILLS.

Montgomery, Texas, June 20th, 1867.

To Seth S. Hance:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had those attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two at three days. On several occasions they lasted aftil his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. Itried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, time that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like I have great confidence in your remedy, and would like every one who has fits to give it a trial.

STILL ANOTHER CURE. Read the following testimonial from a respectable citizen of Grenada, Mississippi. SETE S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, of Firs, cared by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had then very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W, P. Ligos.
