THE JEWS AND THE EAST.

We see it intimated that Mr. L. Gluckstein, author of a pamphlet on "The Eastern Question and the Jews," is about to draw public attention to the relation of the Jews to the Eastern Question in its present aspects. There are some phases of the present difficulty which admit of being construed into favorable symptoms of the near approach of the research over past acts, apparently no more henious than till a trial can be had, or young persons led un-Jews of America, or large portion of them, have this, yet which in reality are a burden to their awares into trouble through drink and evil comno desire to emigrate to Palestine, and that they souls. The way of deliverance is clear. scout the idea that such an event is ever to happen; and we suppose that European Jews, those of them the Christian World, is in the following.
