FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE. your Episeptic Pills cared me. In February, 1869, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th. 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my real-dence, No. 836 North Third St., Philadelphia. Pa.

IS THERE A CURE FOR EPILEPSY?

was by my persuasion that Mr. Lyou tried your Pills.
His case was a very bad one; he had fits nearly all his
life. Persons have written to me from Alabama and
Tennesses on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have all rays
recommended them, and in no instance where I have
had a chance of hearing from their effect have they
failed to cure. Yours, etc..

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

I have great confidence in your remedy, and would like every one who has fits to give it a trial.

B. L. DEFREISE.

Bead the following testimonial from a respectable citizen of Grenada, Mississippi.

SETH S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Firs, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe prostating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Ligon. STILL ANOTHER CURE.
