ENTERED INTO REST.

REV. T. H. CROWELL.

" Our dear Brother Crowell entered into heavenly rest, at one o'clock, Tuesday morning the 14th inst." From accounts we had received we had ceased to hope for his recovery, yet we were not quite prepared to receive the above announcement, made in a note of the 16th, by Dr. Phillips. Death is always sudden. Even when expected, its coming finds us not wholly prepared for the announcement.

Bro. Crowell died in Auburn, Maine, at the resi. dence of his sister; and was buried in Auburn on the 16th. The funeral services were as follows:-Introductory exercises by Rev. C. E. Haskell, addresses by Dr. J. L. Phillips, Prof. B. F. Hayes, Father John Chaney, and Rev. E. J. Eaton.

Many hearts will be filled with a great sadness on is far better."

with whom he lived and laboured will mourn his "Sin, when it is finished, bringeth forth death." death. The churches that have listened to his faithful and affectionate preaching of the blessed gospel, that have had his sound Christian counsel touching all church matters, and that have felt the influence of his pure and sweet Christian spirit, will mourn his death. The many who have been been developed under his instruction, will mourn all these, hundreds of them, who have received strength, encouragement, comfort from him will mourn his death. But though sad that they shall see nor hear him no more on earth, they will rejoice that for him "to die is gain" because that for him "to live was Christ."

"Servant of God, well done; Rest from thy loved employ; The battle fought, the victory won, Enter thy Master's joy.

The pains of death are past; Labour and sorrow cease; And, life's hard warfare closed at last, lis soul is found in peace.

Soldier of Christ, well done; Praise be thy new employ; Rest in thy Saviour's joy.'

THE MONTHLIES. HABPER'S MAGAZINE for December, beginning he Fifty-fourth Volume, is not only an especially attractive number, from the beauty of its numerous liustrations, but is also distinguished by the inusual variety and interest of its contents. The Number is embellished with more than eighty exquisite engravings, and contains, besides the five editorial departments, twenty-four contributions,

covering every possible variety in the field of The descriptive illustrated papers treat of Genoa and its celebrities, living and dead; the Philippine Islands; recent important ethnological discoveries in Tennessee; and the social life of the Knickerbockers of New York two hundred years ago. Porte Crayen's illustrated paper on "Boys and Girls" is in his characteristic style.

Two of the illustrated contributions are poer "The Book of Gold," by T. J. Trowbridge, is a powerful and dramatic Christmas story in yerse. "At two score," by T. B. > SCRIBNER FOR DECEMBER.-T. Robinson Warren's "Bay Shooting" in Scribner for December, the second of the series of papers on American Sports, is in a somewhat lighter vein than Mr. Wilkinson's "Salmon Fishing." As the spirited outline illustrations suggest, it is full of fun and anecdote, but the hard work of coast shooting is not therefore slighted. Other humourous papers are "Mr. Quatty's Great Speech," by Wm. M. Baker, (with a tempting picture); and James T. Field's clever sketch of Cyrus J. Muchmore, who is appropriately described as a "Peculiar Case," Charles Barnard writes with interest of "Toad Lane Rochdale" and its co-operative stores. Donald G. Mitchell describes the attractive and growing institution, "Lafayette College," in a well-illustrated paper. Mrs. Herrick writes a popular science paper about "Single-celled Plants," drawing her own wood-cuts on the block. "An Arrerican in Turkistan" is the title of an article fron Eugene Asia. The Turco-Russian difficulties give a timely interest to this paper, and also to Charles Dudley suggestions worth the attention of Civil Service reformers. Mr. Hales' serial, "Philip Nolan's first instalment of Dr. Holland's new story, "Nicholas Minturn," in which Nicholas is presented to the reader and also to Miss Larkin. There are signs of love and danger ahead.

The poetry of the number is by Annie R. Annan (a poem of rare beauty, entitled "Maidenhood"), H. Gates (author of " Your Mission"). In " Topies. of the Time" Dr. Holland pays a tribute to the late-Dr. George B. Bacon, and writes of "Mr. Huxley's. Visit," "The Better Times," and "The Interest of Fiction." "The Old Cabinet" has a stanza underthrough the advice and direction of the Dominion the title of "Mystic," and discusses the "Philistine," "Egoism," "Reform," "'Daniel Deronda' as a etc. "Bric-a-Brae's contains a valiety of amusing
