Ligon.has long neen afficied with this awful disease. He was first at-tacked while quite young. He would have one or two seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, pros-traing him, body and mind. His mind had suffered seri-qualy, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All his I take great pleasure in communicating, as it may be them. Yours, respectfully, etc., W. P. Licoox.

Sent to any part of the country, by mail, free of postage, on receipt of a remistance. Address, SETH S. HANCE, Baitmore St., Baltimore, Md. Price, one box, \$3: wo, \$3: twelve, \$27. Please mention where you saw this advertisement.

uaranteed to be the best paying business offered to Agents by any House. An easy and pleasant employment.

by any House. An easy and pleasant employment. The value of the celebrated new PATENT IMPROVED EYE CUPS for the restoration of sight breaks out and blazes in the evidences of over 6,000 genuine testimoni-als of cures, and recommended by more than one thou-sand of our best physicians in their practice. The Patent Eye Cups are a scientific and philosophical discovery, and as ALEX. R. WYNTH, M.D. and WW

BEATLEY, M. D., writes, they are certainly the greatest Read the following certificates :

FERGUSON STATION, LOGAN CO., KY., June 16th, 1872. R. BALL & Co., Oculists

DR. BALL & CO., Oculists, GENTLEMEN: -- Your Patent Eye Cups are, in ray judg-ment, the most splendid triumph which optical science has ever achieved, but, like all great and important traths, as ever achieved, out, nke an great and important trans, in this or any other branch of science and philosophy, have much to contend with from the ignorance and pre-judice of a too sceptical public : but truth is mighty and will prevail, and it is only a question of time as regards their content acceptance and endorsement by all there their general acceptance and endorsement by all. I have in my hands certificates of persons test "ing in equivocal terms to their merits. The most prom perturbations of my country recommend your Eye Cups. I am, respect-fully, J. A. BOYER

WM. BEATLEY, M. D., Salvisa, Ky., writes : "Thanks to you for the greatest of all inventions. My sight is fully restored by the use of your Patent Eye Cups after being almost entirely blind for twenty-six years."

ALEX. R. WYETH, M. D., Atchinson, Pa., writes: After a total blindness of my left eye for four years, by paraly-sis of the optic nerve, to my utter astonishment your Pat-

By your advertisement I saw at a glance that your invalu-able Eye Cups performed their work perfectly in accorable Lye Cups performed their work perfectly in accor-dance with physiological law; that they literally fed the eyes that were starving for nutrition. May God bless you, and may your name be enshrined in the affectionate accordes of multiplied thousands as one of the benefac-

HORACE B. DURANF, M. D., says : "I sold, and effected HORACE B. DURANT, M. D., says: "I sold, and effected future sales liberally. The *Putent Eye Cups*, they will make money, and make it (ast, too; no small catch-penny affair, but a suberb, number one, tip-top business, pro-mises, as far as I can see, to be life-long." Mayor E. C. ELLIS wrote us, Nov. 16th, 1869: "I have tested the *Putent Lory Eye Cups*, and I am satisfied they are good. I am pleased with them. They are certainly

are good. I am pleased with them. They are certainly

the greatest investion of the age." Hon. HORACE GREELEY, late editor of the New York Tribune, wrote: "Dr. J. Ball, of our city, is a conscien-tious and responsible man, who is incapable of intentionl deception or imposition."

Prof. W. MERRICK writes : " Truly, I am grateful to your noble invention. My sight it restored by your Put-rat Eye Cups. May Heaven bless and preserve you. I have even using spectacles twenty years. I am 71 years old, I do all writing without glasses, and I bless the in-ventor of the Putent Eye Cups every time I take up my old steel new ? the same on the bow or stern thereof, and the owner shall also mark such number on the sail, in legible char-acters," W. A. HIMSWORTH. old steel pen

ADOLI'H BIORNBERG, M. D., physician to Emperor Na-poleon, wrote after having his sight restored by our Patant Eye Cups; "With gratitude to God, and thankfulness to the inventors, Dr. J. BALL & Co., I hereby recommend he trial of the Eye Cups (in full faith) to all and everyone that has any impaired eyesight, believing, as I do, that since the experiment with this wenderful discovery has W<sup>E</sup> are now showing a complete New Stock of FASHIONABLE DRY GOODS, and take great proved successful on me, at my advanced period of lifepleasure in intimating to our numerous cu-tomers and the general public, that we are enabled to offer these New Goods at Very Reasonable Prices. In Staple Goods we are showing our usual large variety at the most Essez, ss.

June 5th, '73, personally appeared Adolph Biornberg, made bath to the following certificate, and by him sub-scribed and sworn before me, WM. STEVENS, J. P.
