WANTED! WANTED! ONE THOUSAND NEW SUBSCRIBERS.

We want to put a thousand new names on our list of subscribers, between now and the first of July. With the help of the friends of the paper it can be done. If each one will try to get, at least, one new one, a great deal more than we ask will surely be done.

AN OFFER! To help in the canvass we offer to send the In-TELLIGENCER to each new subscriber, from the time the money is received till January 1st, 1878,

for (\$1.00) One Dollar!

Who will send the first new name? We hope to have at least one new one from each present subscriber. From some we expect to have many more. Begin the canvass at once.

TEN DAYS IN BOSTON.

In continuation of the brief letter from Boston in the issue of two weeks ago, these notes of ten days attendance at the Tabernacle meetings are written. No one can for any time be present at the meetings without being convinced that the Lord is doing a most gracious work in proud Boston.
