NOTICE. 10 WHOM IT MAY CONCERN.

To the Harbour Master, Harbour Inspector, Pilots, Owners, Masters, and persons in charge of Vessels at the Port of Saint John, New Brunswick :-The Department of Public Works of Canada being about to commence the construction of a Deep Water Terminus for the Intercolonial Railway at the Ballast Where for called in the City of Saint John will from this Wharf (so called) in the City of Saint John, will from this date have the Dredges "St. Lawrence," "Canada," and "New Dominion," with their lighters, or scows, engaged n performing the dredging required; and, until further totice, the said Dredges will have a number of anchors for mooring purposes deposited on the Flats to the north-ward of the Ballast Wharf, and in the Channel to the West and South-west of the same; all of which when put down will be buoyed.

All Masters of Steamers are cautioned to keep clear of said Buoys and lines, so as to prevent their being taken up and fouled in the Paddles or Propellers, as the above mentioned moorings will be in place whether the Dredges are there or not

As whilst working it is not possible to shift or remove the Dredger-Vessels will be required to give them a wide berth, so as to avoid collision and damage.
