To wake in heaven, the land of rest; Free now from pain, no more to weep, She's safe upon a father's breast. She's gone to sleep.

No, no, not dead, but born once more ---For death is but a second birth-She's gene with saints, God to adore, With sweetest songs of heavenly mirth. She's born once more.

No, no, not dead, but gone above, An angel fair there to become ; She loves us now with heavenly love. And calls us to her beavenly home. She's gone above.

No, no, not dead, but gone before, To gladly hail our advent home, To us she'll open wide the door, When home at last we safely come.

The Fireside.

She's gone before.

THE CALIFORNIA BOY-PRISONER RE-DEEMED.

REV. E. P. HAMMOND.

least a thousand persons were unable to get into As to its elements, it is said to be fifteen millions one cup of bread-crumbs, one beaten egg, and a the Tabernacle in which there were already three of miles nearer the sun than Mercury, that its year little salt. Spread it over the top and put little thousand five hundred. A young man lit his cigar is forty of our days, and its diameter one eighth just outside of the tent, and made some little of that of the earth. disturbance. A policeman at once arrested him, It is seen from this short sketch, that our sys-

and he was tried, sentenced, and shut up in prison, tem is a great affair. Moons and ponderous globes gard to the disturbance of religious meetings. complicated, yet the machinery is complete. No Some of us pitied him, and thought we would go collision and no danger. God's works testity of and don't eat too many at once ! to the prison.

We found him and talked to him and the rest, handy work. But this is only a system of worlds, day after day, and at last his heart was touched, only one of many, of myriads. Astronomy teaches, and, as we all believed, he truly gave himself to Christ.

While there, we saw a little boy about thirteen years of age, who had also been sentenced to prison, understand ?" for having stoned a Chinaman. He, too, heard the same story of the Cross, and his heart was melted ;

again and again the Christians went to see him, and finally they believed that he had really given his heart to Christ, who had redeemed him.

When the Christians of the daily prayer-meet- eyes, red lips, and rich olive complexion, stood ings found this out, they voted to pay the fines of there perspiring, and holding his old battered hat this young man and this boy, and thus redeem in his sunburnt hand. "Would you lend me & wheel-barrow to take

them from the penalty of the law which they had broken, and I was commissioned to break the news to the young man.

I said to him, "How would you feel towards like a dear little gentleman. these Christians, if they should pay the fine which you were unable to pay, and thus redeem you from you," said I, laying my hand on his moist brow, this dreadful place ?"

Tears came to his eyes. He said, "I would love how do I know that you are an honest little them, and feel grateful to them as long as I lived." stranger? Your eyes and face look very honest. I then told him we had determined to do that, but sometimes a boy's acts belie his truthful face. and immediately related to him how Jesus had re- Yes, I'll lend you the wheel barrow, and take your to bim :

"It is a very little thing for us to pay this fine, you'd like one of my nice cookies, would you not ?" it is a pleasure to do so; but, ob, think of what it "Yes, ma'am, thank you," said he; and then I cost Jesus to redeem you-nothing less than his put the sideboards on the wheel-barrow and ran it own life-blood on Calvary's cross. How do you out at the gate for him, and helped him to lift a teel towards him ?"

sack of nuts into it. In the evening, as we sat at The little boy also was talked to in the same road with creaking " wheek, whack," and I felt re ing through his front garden and back yard. And

wards stood up in meeting, and thanked the who could be trusted.

planet has any considerable inclination of its orbit with the onions, and add a piece of butter, and a to the ecliptic as the earth has, causing changes of little pepper and salt. Let it boil up and serve. the seasons, but if it has, winter must be forty one years, and each of the other seasons of the same lay them in the spider and pour over them a gravy
