otained for Inventors, in the United States, Canada and Europe, at reduced rates. With our principal office located in Washington, directly opposite the United States Patent Office, we are able to attend to all

United States Patent Office, we are able to attend to all Patent Business with greater promp, ness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys." We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter. We refer to the German-American National Bank, Washington, D. C.: the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Joseph Casey, late Chief Justice U. S. Court of Claims; to the Officials of the U. S. Patent Office, and to Senators and Members of Congress from every State.
