-EFFECTUAL PREACHING .- Here is counsel for ministers, given by Zion's Herald. It is needed. Let it be heeded :

"Your preaching to be effective, must be positive. You must be able not only to deny something, but to affirm some greater thing. To displace evil is not to establish good, as another evil will be likely to take its place. The man who spends the whole season in uprooting tares will be without a harvest of wheat. The surest way to displace the evil growth is to sow good seed. Fill the ground with wheat, and there will be no room for the tares.
