ST. JOHN, N. B., DECEMBER 21, 1877. NEW BRUNSWICK. - John Connell, of Bartibogue has killed eighteen bears this season. His last one weighed 625 lbs., and yielded 185 lbs. of fat... The Freeman says :- Another bridge across the Memramcook is the latest scheme. It is to be opposite the College, one and a half miles below Memramcook station. The estimated cost is \$6,500, of which the Local Government, the R. C. authorities and the French people each contribute \$2,000. . We learn from the Post that there were five

funerals-the results of diphtheria-at Memramcook on Saturday. Two children of Mr. Patrick Powell, and one of Silvain Melanson, were taken to the grave in one carriage. Besides these, Mr. Thos. McVey, Mr. H. A. McDonald, and Mr. Taddy Richard, have lost children. Mr. Samuel Fillmore, of Botsford, has lost four in two woeks, 300,000 superficial feet of white birch for the spool business. They have already commenced this new enterprise. Five men are employed running the machinery. If it proves a success the business will be continued . . . The Sackville Post says the new plaster quarry, near the Manganese works at Shepody Mountain, Albert County, is turning out well. The earth covering is between ten and fifteen feet, but the article, when reached, is of a 1,200 tons were shipped by Messrs. ANNOUNCEMENT

To Sunday School Workers.

During 1878, the Sunday School Times will contain happy to say that, by the time it was taken, I was entirely well and have remained so, although I was much exposed through the winter in travelling.

Rev. F. B. Stratton, Demorestville, wfites: I have found your remedies particularly beneficial for Liver Complaint, Dyspepsia and Bronchial Affections, and would advise all similarly affected to give them a trial.

Mrs. A. D. Pierce, Waverly, N. Y., says: It affords me much pleasure to express my heartfelt.

Mr. Charles F. Richardson, so well known for his Cooke will write a serial story, for the encouragement of Christiae workers. All this, in addition to the other varied departments of the paper.
