THE RELIGIOUS INTELLIGENCER.

SAINT JOHN, N. B., JANUARY 11, 1878.

this week about "remarkably mild weather," excent to contrast it with its opposite, which this week has brought them. It begins to feel like winter.

To His Excellency the Governor General:
The Hon. the Members of the Senate:
The Hon. the Members of the House of Commons,

- Progress. - The papers report that in Turin, Italy, the authorities have forbidden the teaching lic schools, on the ground that the children of all may pass and become law. sects have an equal right to be educated in them. This decision has greatly enraged the clergy.

- SUFFERING. - A statement made by the pawnbrokers of New York shows the great distress of

- CRUELTY. - A Sydney, South Wales, paper of

- REV. G. W. McDonald. - A correspondent of summer in the Free Baptist Sabbath-school, of

heartily engaged in the work.

- Augusta, Maine, must be a good place to live in, and the Augusta Free Baptist Church must be an especially good church. We notice that at the close of the services the Sabbath morning before

- Talkers. - James says, "The tongue is a fire, a world of iniquity;" and "If any man offend not in word, the same is a perfect man, and able also to bridle the whole body." How much harm is done by indiscreet talking who can tell? There change calls attention to the fact that Plymouth more people should be cut loose from their churches. The unruly member is able to do a world of misthe place to screen any class of mischief-makers."

join the throng who dance down the broad road of steadily forward with this undertaking? worldly pleasure." Mrs. Sherman says this, and she is in public life, in the whirl of society, and her words may well be heeded. This society waltz of to-day, says a contemporary, "is not only use- illegal sale of rum goes bravely on. A few days less, it is pregnant with evil and evil only. It is ago one liquor-seller was sentenced to thirty days emphatically the dance of death, and deserves its in the Penntentiary, and another to sixty days, and be met with everywhere. And the voice of the has ever been imprisoned in this city for selling pulpit cannot serve a better purpose than to show liquor without license, unless the offence was up the abominable practice as inconsistent with coupled with that of keeping a disorderly house." true manliness and womanly purity and modesty. In sentencing the men the Judge said they had The father or mother who tolerates the ordinary borne good reputations. There are six or eight fashionable waltzes of fashionable parties is guilty thousand more rumsellers in New York who may of a crime against nature, and serves the purpose look for the same punishment. The Society for of a guide, showing the way to perdition."

-Church Debts. - Discussing the Kimball movement, for the payment of Church debts, Rev. E. Abbot, in the Independent, points the moral of it for even the New York Sun acknowledges that,

1. Church debts are an abomination, and ought not to be incurred. 2. Where they have been incurred, steps ought instantly to be taken to remove them.

not rich and in times that are "hard." 4. The work is half done when it is well begun. It is well begun when the people can be brought to look the debt squarely in the face, and dares engage in it will be punished the same as and teachers who read essays were divided into two to measure their strength with it undismayed. 6. A very heavy debt can be lifted when its of God, they are no better. weight is systematically distributed among the many, according to ability; and that ability is best determined, each individual for himself, in the spirit of Christian consecration. 7. There is nothing in Mr. Kimball or in his

methods which cannot be had anywhere under like condition of faith, skill, and energy. 8. Mr. Kimball is likely to have plenty to do in leading churches to provide for their debts; but there is no reason why any church now in debt should wait his coming to get rid of it.
9. The thing to be done is to individualize a duty

which so long as it is left general nobody will feel and creeds have been unitedly supplicating God Reports were read and short speeches made on to secure the services of Bro. Noble was unanimous. invited.
