PARKS' COTTON YARNS! AWARDED THE ONLY MEDAL GIVEN AT THE CENTEN NIAL EXHIBITION For Cotton Yarns of Canadian Manufacture. Nov. 5's to 10's. WHITE, BLUE, RED, ORANGE AND GREEN.

Made of good American Cotton with great care, Correctly numbered and Warranted Full Length and Weight. WE would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger yarn than the Ring Frames, used in making American yarn.
It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas-as the American is-and also saves a great Those acquainted with weaving will understand the

great advantage it is to them to use yarn put up in this COTTON CARPET WARP, Made of No. 10 Yarn, 4-Ply Twisted. WHITE, RED, BROWN, SLATE, &c.

All fast colors. Each 5 lb. bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country. All our goods have our name and address upon them.

None other are genuine. WM. PARKS & SON, New Brunswick Cotton Mills, St. John, N. B.
