GILBERT BENT & SONS, WHOLESALE DEALERS IN

THE time is approaching when you will again be called upon to select a fit and proper person to represent you in the Dominion Parliament.

My card would not have appeared at this early day had not my attention been called to a paragraph which recently appeared in one of the papers to the effect that I would not again be a candidate, there was no authority for such a statement. I will again be a candidate for the seat in Parliament, which I now have the honor to occupy; and will be prepared to answer to you for my political conduct. My highest ambition has been to advance the interest of this whole Dominion, and the County of York in particular, and I feel satisfied that there is nothing in my course as your representative which should deprive me of the confidence I have enjoyed so many years.
