# THE RELIGIOUS INTELLIGENCER

### SAINT JOHN, N. B., MARCH 1, 1878

-Rev. J. W. Carr (Episcopal), of Kingsclear York Co., died on Monday morning of diphtheria. He was quite well until the Thursday evening preceding his death. Our readers will, perhaps, remember that a few months ago we published a sermon delivered by him. He was highly esteemed in his parish, was an active worker in the temperance cause, and was ready for every good work.

- A petition in favor of Prohibition has been presented by the women to the United States Congress It is signed by 30,000 women. Accompany- | earth, and there to sit with the Son of Man judging | ing it was an address made by Miss Frances E. the tribes of Israel. Williams, on behalf of the women. It is an adpublish it on our first page next week.

- The far-reaching effects of a good work are illustrated by a testimony which comes from Natal, in South Africa. A great religious movement is sons have already been converted. It was begun session of the Dominion Parliament, nor during by the prayers and labors of a blacksmith who had any other we incline to believe, if the Government been converted under Mr. Moody's preaching in can prevent it. We were right in stating at the England, and afterwards emigrated to Natal.

- Of the delegation from the New Brunswick Government to Ottawa, the Telegraph says "The delegates had satisfactory opportunities of laying their case before the Dominion Government, and also before the Senators and members of the House of Commons from New Brunswick. They did not of good either. Telegrams from Ottawa to the receive or expect an answer before leaving, but are daily press say that a strong temperance element satisfied that they have fully established the justice has been, probably is yet, lobbying there in favour

F - The despatches show the still unsettled and unsatisfactory state of affairs in Europe. Russia seems having a hard struggle to bring herself to be govorned by common sense instead of greed. She ance members and others interested the whole ques would make the most preposterous demands if she tion was pretty thoroughly discussed, and the feeldared, but seemed to have a somewhat wholesome ing of the meeting was declared to be decidedly i dread of coming into actual contact with England. favor of having Parliament deal with the question She was very brave when she had "the sick man" now, and that the legislation should assume the to deal with. But is not so plucky when there is form of a properly constructed Permissive Bill. probability of facing a healthy foe. England is prepared for the worst. Perhaps the approaching Conference of the powers may effect a satisfactory with his. They stated that in behalf of the temadjustment of the difficulties.

-Perhaps it is true, at any rate it is reported, the Dominion Parliament, would obviate the many

this matter. It ought to know, however, what is with contempt till it was no longer safe to treat best for its deceased head ; and perhaps Beecher them so. And now that the temperance party has won't mind it much that there is a non-agreement. become a host, every sort of dodging is resorted to, The Christian at Work declares that it has no in- to prevent such legislation as they ask for in the

not help. God only knows the value of the widow's one of Queen Victoria's sons, Prince Leopold, has difficulties now existing. They explained also why expressed a strong desire to enter the Ministry. The delay in passing such a bill is undesirable. The Queen, it is said, discouraged his inclination ; but Promier, the report says, assured the deputation his persistence has overcome her scruples, and as that it was the desire of the Government to do all soon as his health permits he will take the necessary in their power to promote the temperance cause, preliminary steps. The Prince is supposed to hold but said he "could not promise anything further extreme High Church notions, and a report is cur- than that during the present session such legislarent that when in Scotland he incurred his royal tion would be had as would meet with the approba-They also waited on Hon. Mr. Scott and presented their case to him as to the Premier. Mr. Scott. said that "some sections of the British North America Act would have to be amended before power could be delegated to the Local Government to pass a Permissive Bill in the Province, and that would take some time to effect. He, however, promised, as did Mr. Mackenzie, that something would be done in the premises this session, which he thought would, for the present at all events, satisfy, to some extent, the desires of those interested in the advance of temperance." Mr. Scott was rather more modest than the Premier. He (Mr. S.) thinks what is to be done will satisfy to some extent" the desires of temperance people ; but the Premier seems sure that what his Government proposes to do will "meet with their approbation." And yet he makes no statement about the character of the Legislation he has re-- An extract among Current Topics supposes solved upon. mother's displeasure by refusing to attend the tion of the temperance people." Established (Presbyterian) Kirk. The Ritualistic " Church Times" does not regard his ordination altogether in the light of a blessing.

- We deeply regret to hear of the great afflic tion which has come upon Bro. Knollin and family in the death of their first-born. How cheering though that he died in Jesus, and has gone to be with Him, "which is far better." That the stricken ones may have the comforts of the gospel we

Bro. Knollin's many friends will rejoice that he is recovering from the protracted and serious illness from which he has been suffering. Too abundant labours wore him out. The Yarmouth church and its present prosperous and promising condition are due to his consecrated efforts. May God spare him yet many years to work in the service he loves, and for which he is so well adapted.

that not a dozen out and out Feniars of any degree is not to be introduced by the Government is cerman. He always feels for them in their woes, can treal paper is probably correct when he says : shed tears over them, and never can utter a word The friends of the temperance cause, I fear, will of chiding of their bloody maraudings. And this full-blown Fenian sympathizer is the "First Commoner" of Canada, made so by the votes of the rumored-and I have reason to believe that the ruloyal representatives of a loyal people. "Tell it mor is well founded-that the legislation proposed not in Gath."

Christian Advocate talks about the Papal Church :

bitter experience of the persecuted and of the martyrs is of any avail, it is the sworn and uncompromising foe of liberty. Whatever specious declarations mouth, biting his nails, and grinning at pilgrims," with the hope of yet being able to devour them.

Pope has been elected. The winner of the prize ability and thoroughly devoted to the Church. One are pleased. It would seem so. account of him says :

If you cannot pay the two cents a week which you can and unite with the children in forming little bands auxiliary to the societies. Our juvenile Halifax, N.
