SEE WHAT THE CLERGY SAY.

"THE SURE WITNESS." "The nineteenth century is the age of novels," emarks a literary historian,—he might have added with equal truth, "and novel impositions." Studied politeness has been passed off on us for native refinement, the forms of devotion for its essence. Satan has made himself so omnipresent that we look for his cloven foot everywhere-even in a bottle of medicine. Imagine a lady, having a complexion so sallow that you would deny her claims to the Caucasian type if her features did not conform to it, purchasing her first bottle of the Golden Medical Discovery. The one dollar is paid in the very identical manner in which Mr. Taylor might be experience with "No. 104,163," with this difference, ais doubt would be the result of personal experience while hers would be founded on what a certain practitioner (who has has been a whole year trying o correct her refractory liver) has said concerning t. At home, she examines the bottle half susoccionsly, tastes of its contents carefully, takes the prescribed dose more carefully, and then proceeds o watch the result with as much anxiety as a pracitioner would count the pulsebeats of a dying man. She takes another dose, and another, and shows the bottle to her friends, telling them she "feels betgain their lustre, her accustomed energy return,s had been studying for six or eight years. "A few Odd Weddings," is related by a minister's wife. CARD.

TO THE ELECTORS OF THE COUNTY OF SUNBURY.

been earnestly solicited by a large number of the electors, to be a candidate, I take this early opportunity of informing you that I will be a candidate for your suffrages at the forthcoming election.

Gentler en, the Dominion Parliement having abolished that long established custom of public nominations, I that long established custom of public nominations, I shall consider it my duty during the electioneering campaign, to hold public meetings in one or more places in the opportunity of seeing you personally, and asking you personally make known to you my opinions on the political conduct. My highest ambition has been to advance the interest of this whole Dominion, and the country of York in particular, and I feel satisfied that the interest of this whole Dominion, and the interest of this whole Dominion, and the interest of this whole Dominion, and the country of York in particular, and I feel satisfied that there is nothing in my course as your representative which should deprive me of the confidence I have enjoyed so that long established custom of public nominations, I shall take the opportunity of seeing you personally, and asking you provide the interest of this whole Dominion, and the interest of this whole Dominion and Flowers; 2 cases Coat Also, I shall at as early a day as possible visit you at your respective homes, for the purpose of soliciting your rapport. The knowledge I have of all parts of the country and of their several requirements, will enable me, if elected, to intelligently discharge the duties devolving on I respectfully solicit your support in the approaching

Election, and in return, if elected, will do the best I can to serve the interest of New Brunswick and the constituency of Sunbury in particular.

I remain, Gentlemen, yours, respectfully,

W. D. PERLEY. Maugerville, March 26, 1878. - tf.
