BY LEON PERBERT. Little by little the time goes by-Short if you sing through it, long if you sigh; Little by little—an hour, a day, Gone with the years that have vanished away; Little by little the race is run, Trouble, and waiting, and toil are done!

Little by little the skies grow clear ; Little by little the sun comes near; Little by little the days smile out Gladder and brighter on pain and doubt; Little by little the seed we sow Into a beautiful yield will grow.

Little by little the world grows strong, Fighting the battle of Right and Wrong; Little by little the Wrong gives way, Little by little the Right has sway; Little by little all longing souls Struggle up nearer the shining goals! Little by little the good in men Blossoms to beauty for human ken; Little by little the angels see Prophecies better of good to be; Little by little the God of all Lifts the world nearer his pleading call!

'THOU GOD SEEST ME." Genesis xvi. 13.

BY MARY ABBEY. In the Holy Bible Did you ever see, Children dear, this sentence, "Thou God seest me?"

Oh, be sure you're straying, If you wish to flee From the silent teacher. "Thou God seest me." But in hours of sadness,

And in hours of glee, Hearken to the whisper, "Thou God seest me." In unguarded moments, When no eye can see,

Then, oh, then remember, "Thou God seest me." Lest thy footsteps wander. Let thy watch-word be All along life's journey,-"Thou God seest me !"

And through clouds and sunshine It shall bring to thee Help, and hope, and comfort,-'Thou God seest me."

A MOST REMAR KABLE CURE.

Tonganazie, Leavenworth Co., Kan., April 2, 1876.

SETH S. HANCE,—Dear Sir:—The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and rosy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your Pills advertised in the Christian Instructor, I sont to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had a Fit nor a sympton of one since he commenced taking your Pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have been to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars, so that I can send them to any that I hear of that is afflicted in that way.

Respectfully, etc., LEWIS THORNBRUGH.
