and brilliant Number.

The opening article of the Number is a very picturesque description, by William H. Rideing, of life and scenery "Along our Jersey Shore," with twenty-four beautiful and characteristic illustrations. The pre-eminence of Harper's Magazine in tions. The pre-eminence of Harper's Indigatate in the treatment of art subjects is fully sustained in this Number. There is an admirably written paper by Helon S. Conant on J. M. W. Turner, with a store of engravings from that artist's most remark-ble of engravings from that artist's most remark-tiste of engravings from that artist's most remark-ble of engravings from that artist's most rem able paintings, including "The Slave-Ship," from which no engraving has previously been made, but which the owner (Miss Alice Hooper, of Boston). has graciously permitted to be copied for this article. The readers of this article will peruse with

crs, and of the principles of true art. As is usual in Harper's, there is a considerable half of this amount is already subscribed. Miss

bor is entitled "A Glimpse at Some of our Charities," which is to be concluded in the March Number.

gives us a glimpse of news-boys' life. "Why Julia "hanged her Mind" is a naive little school-room | GENERAL .- The Suez Canal is doing an increasstory, by Mrs. W. E. Bryant. "The Baby," by ingly profitable business. The tolls received in Edgar Fawcett, and "Two Pictures," by Mary A. 1875 amounted to \$5,777,260; in 1876, \$5,901,999; Lathbury, are poems, the latter finely illustrated. in 1877, \$6,552.279. In 1877, 1,663 passed through "True Blue," Mrs. Bell's capital Minnesota serial, is vital with breezy, out-of-door life. Mrs. Whi-each vessel..... A verdict of guilty has been roturnpapers gives six pages of interesting matter about ed against the young man Hubley formerly of Hali-Walt Whitman, with three excellent portraits taken fax, N. S. who was arrested at Charlettown, P. E. at different periods of life. C. P. Cranch, the L, for forgery. artist, has a poem, "Furnace and Fireside." Charles R. Talbot's serial, "A General Misunderlin," are each funny poems, funnily illustrated. "Lucelet's Anger-storm," by Ella Farman, the editor, is well worth reading. It is also very in- address to which the paper now goes. teresting to glance over the matter entitled, "The If a change in the address is desired give both, Society of Wide Awake Helpers," and see what little fingers, under good guidance, have done toward clothing the poor children of Boston. Only which you wish it changed. \$2.00 per annum, 20 cents a number. Ella Farman, Editor. D. Lothrop & Co., Publishers. ENGLISH AND FOREIGN. The Complete Preacher for January contains a author of "Farrar's Life of Christ." The attack Broglie Cabinet.

73 The testimonial to Ex-mayor Fenety by the girl. She went with the officers to the place on cording to stipulations of Constantinople confercitizens of Fredericton took place in the City Hall, the Scadouac River where she says Harry Osborne ence ; Turkish military forces to be withdrawn to citizens of Fredericton took place in the City Hair, last Friday evening. The hall was filled. A. F. Randolph Esq., chairman, and Prof. G. E. Foster, secretary of the Citizens' Committee, occupied the platform. First, an address was read, in which his services as mayor were referred to in complimen-tary terms, and regret was expressed that his elec-tion for another term was not secured. This add tary terms, and regret was expressed that instead tion for another term was not secured. This ad-dress, engrossed on parchment, was signed by 300 or more voters. The names were read. Following this was the presentation of a piece of plate. The ment. It is well to withhold judgment. While Telegraph correspondent describes it thus : "It is the Parker girl's story is well told, there is a sort understands that Lord Derby is not opposed to the The "Intelligencer" and Scribner's probably the handsomest piece of plate ever im-ported into Fredericton. It stands 31 inches high, of improbability about the occurrence as she desupplementary vote. scribes it that makes one feel that the man was murdered ; there are important facts not yet stated. Ushant. The crew was landed at Falmouth. If the Osborne's committed the murder in the way the girl says, it is a most striking proof of the better recklessness of those who undertake the com-

mitting of crime. It is likely the whole truth may Russian army will traverse Constantinople and em-The plate is in the shape of an epergne, with a be brought out before the examination closes. bark at that place for home. massive base, four griffins supporting a silver globe, Everybody who is supposed to know the least thing cote, in his statement, said that there had been no upon which is the inscription beautifully engraved. Surmounting the globe is an elliptical-shaped fruit dish, bordered with green enamelled fern leaves. dish, bordered with green enamelled fern leaves. Rising from the centre of the fruit dish is a vase bearing two figures in oxydized silver re-presenting "poetry" and music." Accompanying this was another address signed by six ladies and six gentlemen, representing every denomination of Christians in the city. To both addresses Mr. Fanety made suitable replice. The addresses Mr. Fenety made suitable replies. The ed the idea of an investigation. But the Times bewhole offer was highly complementary to Mr. F. and no less creditable to the City. such facts as pointed in that direction before the they might be able to show that when England had can benefit by the clubbing offer. Is NO CASE CAN WE public, until a case sufficiently strong was made out once decided on a course, she was determined not DEPART FROM THIS BULE. HARPER'S MAGAZINE for February is a very strong to compel the authorities to investigate it. When In the House of Lords Ear Mr. Livingstone was connected with the Telegraph
