THE RELIGIOUS INTELLIGENCER

SAINT JOHN, N. B., NOVEMBER 22, 1878.

THE INTELLIGENCER FOR 1879.

Being within a few weeks of the close of the year, it is, perhaps, expected that we outline the course of the Intelligencer for the next year. Such out- dial help of Free Baptists everywhere. line may very properly have as a preface a few words of the past and the present. Thus, briefly, we would put it ;

There has been an honest, earnest effort in all | the foregoing statement. and we hope have done good.

on questions affecting the public morals.

dual, and of strong temperance legislation for the heeded? We do not believe they will. The Insaving of the young and the weak, and to prevent TELLIGENCER wishes to begin 1879 stronger than feature of the Intelligencer's work. We rejoic. Intelligencer family do his part towards it. in the large measure of success that has attended the temperance agitation; but, realizing the great work yet to be done, the INTELLIGENCER'S efforts shall not be lessened.

The spread of Bible truth, and the success of Christian work in every part of the world, have Temperance, under the auspices of the United of expression does not always indicate honest conbeen duly chronicled. To help in these things is English papers, is being greeted everywhere by imthe chief mission ef the Intelligences; it has mense audiences, and is making a great impression. more polite. It is too true, as said by the S. S. some happy event erased the place out of the map, striven to be faithful.

As a newspaper it has aimed to give each week a over there. correct and comprehensive record of events, secular adapted to that large class of people who can take and people.... It is encouraging to know that Charthat their bluntness of expression is inexcusable which for years has troubled the respectable in-

encouragement. Again and again it has came to Noone should take it for granted that the Law will reour knowledge that readers of the Intelligencer ceive an overwhelming vote. Over-confidence may have been helped by it. This has given us heart and courage, some times when we were in sore county. The friends of Temperance must show the of what some preachers do and endure in, taste. In charity we stay, and draw the veil over need. The very general expression of appreciation absurdity of these. There is no time to be lost. denoting themselves to the labour to which they the rumseller's church. Could you hear the of the paper's character by subscribers has helped There is only about a month in which to work.

Convers convert Work as believe themselves called of God, the following from curses attered against this place all across these more than one can tell. We might publish, were though every vote was needed; and roll up a the Telegraph will answer. "And yet, says the Islands, and be brought face to face with something the space at our command, many letters of commendation The friends who have said and enemy all over the Province. written good words of the paper have our thanks.

especially by religious papers. Strange as it may monarch's escape. appear, when the average man makes up his mind that he must economize, he thinks first of his sub- finds its way into the "Peter's Pence" fund as used to. God pity such men. Still, I feel more like working scription for the religious paper and that for the born attributed by several feet that support of the gospel. There are, of course, a great many honorable exceptions, but we are per- cal. Others say the cause is quite different, viz., suaded that the majority do as we have said. that the French Ultramontanes are mostly under - Mormon Polygamy. - The agitation against retrenchments. It would be well for all concerned the present Pontiff are the only real cause of the taken a new form. The population now numbers 80,000, the majority fast approaching completion. The Building Comwere the mistake rectified.

all. The fact that subscribers gave no notice of cation of their desire to continue subscribers, and It is described as a very fine building, and admirof the Mormon church. "That it should be pracdate. But though the year has nearly gone we learn the Witness we will be witness with the Witness will be witness with the Witne find a very large number still unpaid. Their failure School this term is 80. There ought to be at least in Congress, only adds to the enormity of the lish ladies, and out of their own purse pay the exposure processitated by their chosen labors, which INTELLIGENCER. We are inclined to think that forth that real attainments and genuine excellence proprietor of their paper. If they could have a month of our experience they would not sleep till More than thrice as many are in attendance at the is eradicated, and declares that, "It is our purpose due on the way to the newspaper office.

THE FUTURE.

In our references to the INTELLIGENCER'S past we Its standard shall not be lowered. Every effort Holstead defend the prisoners. The principal wit- women of our land, we may confidently hope that Petersburg authorities. The synod responded to will be made to increase its power for good in every ness, Annie Parker, adheres to her story as told at the great sin of polygamy may be abolished." The Fisheries Award.—That portion of the lished. Converts were made, but persecutions and the former tried. The other evidence is the paper, however wisely conducted, can do that. The other evidence is the United States people who have thought to get rid followed, and many were thrown into prison. Whilst it is clear that no laws of consumations the union the prison. But we will try to make it a messenger of good to new will be introduced. What the result will be Fishery Commission, and who thought the quibbling continue to presper and that there are now more to be supposed by some people to the state of the state every one who reads it. That it may be we solicit cannot be told. Leaving out the worst features, despatch of U. S. Secretary of State Everts to the continue to prosper, and that there are now more that this fact should operate here, but we find in one Powers is to be collaborated through.

HOW TO HELP.

1. Those of our subscribers who are in arrears

cordially invited to do it like service.

FREE BAPTISTS.

To Free Baptists especially it is of highest imonly paper published in Canada in their interests. It alone stands for the advocacy and defence of the principles peculiar to them, and which they hold their sympathy and efforts." dear. It is the only medium of communication with the public. It alone records with any fullness their work, their success, their growth. It has, so all admit, been the means, under God, of dent in this Province. When the word went from helping the Denomination in many respects. It place to place that four persons were killed, burned can help it more; and to do so is one chief object of to death, and a number more seriously injured, a its existence. It should in return have the cor-
