AGENTS IN FREDERICTON FOR THE WILLIAMS' SINGER,

Which was awarded a PRIZEMEDAL at the CENTEN-NIAL EXHIBITION at Philadelphia, as possessing the most points of excellence for a Family Machine. This was a great triumph, as it confirmed the value of all the First Prizes that the WILLIAMS' SINGER took at every Provincial Exhibition held in Canada since 1859, and at every County Show where it went in competition. The C. W. Williams' Manufacturing Company feel proud of their success, and are determined that nothing that money and mechanical skill can do will be left undone to keep their Machines ahead of all others in Quality of Material, Finish, Durability, and Capacity for all

THE LATEST TRIUMPH! Honors at Sydney, Australia.

On June 11th, 1877, the C. W. Williams' Manufacturing Company received Official Notice from Sydney, Australia, that their Williams' Singer was awarded the Highest Honors as the best Family Sewing Machine on exhibition at the World's Fair. held there in April and May, 1877. There were in competition with the Williams' Singer, four other ifferent Canadian Machines, and nearly all of the eading American and English makers, yet notwithtanding all this competition, the Williams' Singer came out victorious, as it always does, when the merits of the Machines are allowed to be the standard on which the prize is given.
