THE RELIGIOUS INTELLIGENCER

SAINT JOHN, N. B., JULY 19, 1878.

- Taue. - Referring to the candidature of Gov. Tilley, the Halifax Wilness well says that in the event of his election "the House of Commons will Mayor, sympathizing with the opposing party, for- hin Gazette, have applied for sanction to erect a mehave in it a strong and consistent Temperance man, -one of the purest and best public men in Canada. able,-regardless of party." And so say we.

missive Liquor Law as in operation in Illinois seems | men. The specials were selected from the worst | Christian religion than a generous effort on our part to commend itself to the people of that State. This classes, and seemed glad of the opportunity a Tordare voting to come under its operation. In 1876 authority with which for a day they were clad.

- IMPORTANT TO MINISTERS. -The officials of the Intercolonial R. R. announce that on and after August 8th, 1878, clergymen only who are in charge demonstration by them would be 'legal. Opinions of churches, will receive half-fare passes. These differ on this point, and the matter ought to be passing notice. According to the Telegraph's re-Wallace, Fsq., Moncton, upon application of the pastor. They will enable him to buy a ticket at any station for half the usual fare, and the pass with the ticket must be shown the conductor. No time should be lost in making application for these passez, as the rule will be rigidly enforced after August 1st.

-Sign of Progress. - As indicative of the real that a firm of native publishers in Japan are anxious to participate in the publication of the scriptures for their own countrymen, and have asked and received permission from the Board of Managers of the American Bible Society to issue a pocket edition of the Japanese New Testament, with chapter headings and references, in a style and at a price which will not interfere with the circulation of the society's editions. That at so early a period in the development of the new life of the nation such an enterprise should be undertaken by its own people is a cause for profound thanksgiving and whole world o ht to know about. Her pocket
