numbered and Warranted Full Length and Weight. WE would ask the purchasers of Cotton Warp to re-W member that our Yarn is spun on Throstle Frames, which make a strong yarn than the Ling Frames, used in DRUGS, making American yarn.

It is also better twisted and more corefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind an when it is put rewithout leas—as the American is—and also saves a great Those acquainted with weaving w'll understand the

great advantage it is to them to use yarn put up in this COTTON CARPET WARP, Made of No. 19 Yarn, 4-Ply Twisted. WEITE, RED, BROWN, SLATE, &c.

All fast colors. Each 5 lb. burdle contains 10,000 yards in length and will make a length of Carpet in proportion to the number ends in width.

We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country.
