The Watchmaker's Report. EVANSVILEE, IND., Dec. 27, 1877.

I have suffered with Scrofula and Scrofula Humor since I could remember; it has been in our family years before I was born. I inherited it. I have tried ll kinds of medicines. After having used a great many ent medicines, after having paid many large doctor's s, I heard from a neighbor that VEGETINE had cured in. I had good faith because I saw it, and so I went to the Duddenhausen Eagle Drug Store to purchase a bottle of the Vegering. I kept taking the Vegering, and, in fact, I became better and better. When I had ken several bottles all Scrofula Sores and marks wer he; my health very good. It is the best blood riffer I ever tried. It will cure Scrofula. It took the ores and humors off my face; it gave me a clear skin.
