Safe and Sure.

MR. H. R. STEVENS. In 1872 your Vegetine was recommended to me; and, yielding to the persuasions of a friend, I consented to try it At the time I was suffering from general debility and nervous prostration, superinduced by over work and irregular habits. Its wonderful strengthening and curative properties seemed to affect my debilitated system from the first dose; and under its persistent use I rapidly recovered gaining more than usual health and certainly prevent it. Be sure to get Sheridan's. Vegetine my most unqualified indorsement as being a safe, sure, and powerful agent in promoting health and restoring the wasted system to new life and energy. Vegetine is the only medicine I use, and as long as I Invalides, do you wish to gather flesh, to acquire live I never expect to find a better.

Matters ran on thus about seven years, till May, 1874, when a friend recommended me to go to your office, and talk with you of the virtue of VEGETINE. I did so, and by your kindness passed through your manufactory noting the ingredients, &c., by which your remedy i By what I saw and heard I gained some confidence in VEGETINE.

I commenced taking it soon after, but felt worse from

its effects; still I persevered, and soon felt it was benefiting me in other respects. Yet I did not see the results I desired till I had taken it faithfully for a little more than a year, when the difficulty in the back was cured; and or nine months I have enjoyed the best of health. I have in that time gained twenty-five pounds of flesh, being heavier than ever before in my life, and I was never more able to perform labor than now.

During the past few weeks I had a scrofulous swelling cured of my main trouble sooner if I had taken larger Let your patrons troubled with scrofula or kidney disfesto has been issued announcing that the Czar has to relard it and prolong life more than any other eases; and, if they will patiently take Vegetine, it will, INFLUENZA, try
