In entering on this week you are turning the first leaf in a new and mysterious volume. No one but God knows what it contains. You cannot know what joys and sorrows are bound up in it for you. SAINT JOHN, N. B., JANUARY 3, 1879. The enclosed fortunes of a human life are to be unrolled to you day by day. The full and immediate revelation might prove intolerable; hence it is toned and moderated and unfolded, as you are able to

The year may be to you one of great sorrow and darkness ; want, disease, death may be before you. On the other hand, it may be one of prosperity, peace and good of all sorts. No one can tell what good and ill are mingled for you, you as little as any one. All the hopeful signs which now lead you to take courage, may disappoint; the clouds was found to contain the body of a new-born child. to cope with distress at those localities. that now darken your sky may melt into the sunnine of the advancing year. You need not be evermuch cast down; nor should you be overjoyed. Your life is in the hands of another. You should be profoundly grateful that He knows your wants, few day ago. His brother, who accompanied him

and is deeply interested to do the best for you. Let at the time of the accident, narrowly escaped being your trust be in Him. Take his word as your unsellor and as the light to your path. With these aids, and in the discharge of known duty, you will insure all good, and avoid the ill, along your future path. -Ex. The Permissive Bill was carried in Princess

County, P. E. Island, on Saturday. The majority was large. ANNIE PARKER. - A correspondent of the Monc-

ton Times writes concerning Annie Parker : I wish to call your attention to the usage received by Annie Parker in the jail at Dorchester, where she has been confined since the Osborne trial. If she has told lies and deserves punishment let it be for keeping the fish in good condition."...." Tired high tide. dealt out in the right way; she at present deserves of life !" Such was the exclamation of Henry to her treatment I would say she is not protected sufficiently from the cold weather, having only two permission given to shut it.

than \$50. Of this amount a widow and her family, and cold. The police removed him and, he passed with the pastor, gave more than one half."

Mr. Mackay, of the Canada Presbyterian Mission in Formosa, who recently married a Chinese lady, writes that she has become an active helpmeet in the work of evangelization. At every chapel, he says, women who never entered the doors before, listen eagerly to the story of the cross, and women who have been attending chapel have become less timid, and sit beside Mrs. Mackay on

JOURNALISTIC .- The Christian Guardian (Me thodist), of Toronto has reached its fiftieth year. The Guardian is one of the best religious papers we see. We extend congratulations, and wish it another half century of prosperity.

THE Snowflake is the name of a nicely printed little paper hailing from Miramichi. It appears to be issued on behalf of the Snowflake Clubs of Newcastle, Chatham, and Douglastown. The subscrip tion price is 25 cents for six consecutive numbers, John, for \$450, for the steam fire engine, and to and the matter of the paper is very good. The Rev. J. A. F. McBain, in Chatham, Rev. J. Anderson, in Newcastle, and Mr. Wm. Russell, Jr., in Douglastown, receive subscriptions.

SMALL Pox.—The reports of the ravages of small which comes on very suddenly—something like the pox in Brazil are something fearful to read. A late "epizoo" which troubled the horses several years report brought by the captain of a steamship says ago. The doctors call it epidemic influenza. The that in Ceara the people are dying with such rapidity that it was impossible to make coffins to supply the demand, and the people dug ditches and tumbled into them the unshrouded corpses eight or ment to increat the W. C. Peilmen between the control of the cont umbled into them the unshrouded corpses eight or ment to inspect the W. C. Railway between ten at a time. The deaths from small pox were as Yarmouth and Annapolis, arrived here last week, high as five hundred and six hundred daily in Ceara Sergeant Matthew Horlock, of the 97th Regiment, city alone, and it was with great difficulty that while in charge of guard at the Citadel, Saturday persons could be found to carry the victims to the night, took his rifle from the guard room, went outburial ditches. The city was crowded when the side, and deliberately blew his brains out. He died immediately; he was a young Irishman, unmarried, of good repute, and had recently been terior of the province, who had been driven in by a promoted from a corporal's position. No cause can terrible famine, which had desolated the province a be assigned by the act. The coroner's jury render-few months since. Among those refugees, already ed a verdict of "death by his own hand under temweakened by famine, the disease raged with fear- porary insanity."

The Brazilian government is doing all in its power to alleviate the distress. The country outside of Ceara has suffered less than the city, simply from the Palace of Goedoelloe, in Hungary, where because there are fewer to be attacked. During the Emperor and Empress of Austria and the the famine the government sent away all the Crown Prince are spending the holidays,

S., and a native of this Province, where his relatives now reside, and are members of the Free Baptist Church. The Globe says that the Panama Star and Herald, of December 12, devotes three columns of its space to the memory of the late Dr. Albert Riecker. Dr. Riecker was born in St. John, March 2, 1840. He studied in Philadelphia, and went to Panama in 1865 as Surgeon of the Panama Railroad Company. He married in 1866 Senorita Josefina Lanas, a lovely and accomplished young lady, who died in 1873, leaving two children. The Star declares that by his death Panama has "sustained an irreparable loss." It adds that he had reached a proud height in a grand profession, and "that the poor of the city, so largely indebted to his eminent mercy. skill and unfailing generosity, will surely miss his keen edge of that relentless stroke of fate, that mysterious and sorrowful dispensation of the Unknown, which has so suddenly removed from life and more than the rowers satisfaction at the initiative taken by the Porte in appointing commissioners to negotiate upon the frontier question. Greece intends to come to the understanding with Turkey without the Porte in appointing commissioners to negotiate upon the frontier question.
