The Watchmaker's Report.

EVANSVILEE, IND., Dec. 27, 1877. DR. H. R. STEVENS :-I have suffered with Scrofula and Scrofula Humor ver since I could remember; it has been in our family or years before I was born. I inherited it. I have tried all kinds of medicines. After having used a great many patent medicines, after having paid many large doctor's bills, I heard from a neighbor that Vegetine had cured him. I had good faith because I saw it, and so I went to the Duddenhausen Eagle Drug Store to purchase a bottle of the Vegetine. I kept taking the Vegetine, and, in fact, I became better and better. When I had taken several bottles all Scrotles Severa and ranks were taken several bottles all Scrofula Sores and marks were gone; my health very good. It is the best blood purifier I ever tried. It will cure Scrofula. It took the sores and humors off my face; it gave me a clear skin.

Everybody who has got Scrofula Humors should try it.
