Dear Sir-The great benefit I have received from the ase of Vegetine induces me to give my testimony in its avor. For several years my face has been covered with pimples, which caused me much annoyance, and know ing it to be a blood disease, I consulted a number o doctors, and also tried many preparations without obtaining any benefit, until I commenced taking Vegetine, and before I had used the first bottle I saw I had the right medicine. I have used three bottles and find my MONDAY, WEDNESDAY and FRIDAY Mornings, health much improved, my humor entirely cured. Yours respectfully, MISS N. KEEFE, 1130 Carpenter street
