Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, AND CONSEMPTION.

The few compositions, which have won the confidence of mankind and become household words among not only one but many nations, must have extraordinary itures. Perhaps no one ever secured so wide a reputation, or maintained it so long as AYER's CHERRY PECTORAL. It has been known to the public about forty

years, by a long continued series of marvellous cures, that have won for it a confidence in its virtues, never equalled by any other medicine. It still makes the most effectual cures of Coughs, Colds, Consumption, that can be made by medical skill. Indeed, the CHERRY PECTORAL nate of a different character. Persons of weak has really robbed these dangerous diseases of their terrors constitution may take it without the least difficulty to a great extent, and given a feeling of immunity from as it strengthens the stomach and digestive organs, their fatal effects, that is well founded if the remedy be and seldom require more than one or two bottles to taken in season.
