\$6.25. An Amazing Offer. \$6.25. The more widely and rapidly these volumes are scattered, the greater is their influence in inducing other purchasers of this and our many standard publications. Accordingly we give special terms to early subscribers. To all, whose orders and money are received during the month of July, we will supply the 15 volumes, in cloth, for \$6.25, and in half Russia, gilt top, for \$12.50. To any one sending from any place where we have no special agent (usually the leading bookseller of the town), a club of five orders, we will allow a commission of ten per cent. The volumes issued will be sent at once by express, and the remaining volumes when completed.

A specimen volume in cloth will be sent, postpaid, for 50 cents, or in half Russia, gilt top, for \$1.00, and may be returned at once, if not satisfactory.

The "CHAMBERS'S ENCYCLOPÆDIA" comprises the first 15 volumes of our "Library of Universal Knowledge," and the remaining volumes, complete in themselves, will be sold separately when published.
