He leaves a widow, three sons, two daughters and a host of friends to mourn their loss.

His funeral was attended by a large concourse of people, and the occasion was improved by the Rev. Wm. Downey, who delivered an appropriate sermon which was intently listened to throughout by many whose tearful eyes and solemn countenances spake "a great man is fallen in Israel to-day."

Among his dying requests were that the family should wear white at his funeral and never put on mourning for him; and that they would not have his funeral on the Sabbath day. It is desirable for many reasons to increase the circulation of the INTELLIGENCER. Again and again it has been said that every Free Baptist family in New Brunswick and Nova Scotia should take their denominational paper, and year after year Conference has passed resolutions commending the paper and urging all Free Baptists to subscribe; but neither the statement of the fact in these columns nor the resolutions of Conference have as vet succeeded in getting the subscribers.
