NEW BRUNSWICK. -- Mr Aaron Wilson, of Salis- cient in this most necessary branch. The teachers a feeling of having neglected some duty, Weariness, P. Q., writes-"I have been troubled with liver ary, is engaged in errecting a new saw mill at cook and explain in the presence of the pupils, Dizziness, Fluttering at the Heart, Dots before the erry,s Mills on the I. C. Railway, a few miles who take notes.... One night last week the police eyes, Yellow Skin, Headache, Restlessness at night, arrested an unfortunate woman about 25 years old, orth of Moneton. T wo car loads of machineryhailing from Windsor, for being drunk in the upper such as mill gear, boiler, etc.-left St. John on streets. When she was put in the lock-up she gave Monday for Mr. Wilson.... Last week an old half- vent to the most violent expressions of grief at her

witted woman, well known in St. John as Mrs. position and presently a choking noise was heard and the men on duty found she had knotted a Kane or "Money in the bank," as she was called y the street gamins, was run over by a horse car herself. They frustrated her attempt and took the handkerchief around her neck and was strangling Boston and killed. She " beat" her way on to handkerchief from her. Soon after she renewed oston from St. John via International Line of the attempt, using one of her garters, and when eamers a few weeks ago Epizootic is prevalent the officers got to her she had great dificulty in loosening tight that they had great dificulty in loosening the officers got to her she had drawn the string so Newcastle, Miramichi.... The contract for Then they handcuffed her with her hands be applying and putting in the steam heating appara- hind her back, but not long after heard a fall in as in the new Parliament buildings at Fredericton side and found her at it again. She had torn one as been awarded to Messrs. Wisdom & Fish ... thand out of the manacle and getting her other garter twisted it around her neck and pulled it so the Gibson Tannery is to be enlarged.... The cash hard with both hands that it cut its way into the receipts at the St. John freight department of the flesh and she fell to the floor almost insensible. C. R., last month, were between \$9,000 and She was restored and continued to moan and weep

A TERRIBLE DISASTER.

On Friday morning a terrible disaster occurred te started up in a few days.... The Telegraph says, in the Albion Mines at Stellarton, N. S. It is only a month ago six men lost their lives there ; bu this last disaster is much greater than that of ity just now, especially in the central part of the from the reports published in the dailies.

Previous to six c'clock the two night firemen Jno. Campbell and John Weir, came to the surface and reported the pit all safe, adding that they had not known the working so free from gas for some time. At five o'clock the day firemen descended the river, in order that his telephone line may They saw that the lamps were all safe, gave them independent of that used by the N. B. Railway out to the men as they came down the pit, and told pany A large staff of workmen are employed them everything was safe. The men proceeded as the Centenary Church, and the foundation walls work. At 25 minutes to 7 o'clock Charles Ross, usual to their respective boards and other places of e rapidly being put in shape A son of J. H. driver of the fan, while performing his duties strong, of Digdeguash, was found dead on the heard a peculiar roar proceeding from the fan, heavy rush of wind lasting two minutes resembling e morning to proceed to the grist mill, and was roof of the fan house, made of plank, was blown the sound of b-o-o-o-o, and a moment later the nd about half an hour afterwards lying dead in into the air, followed by a quantity of brick from wagon, the horse grazing on the roadside. The the west side of the fan house. He immediately d was subject to fits The Transcript says Lereported to Thos. B. Linkensap, the chief engineer who conscious of an unusual occurrence ordered rgey, who was sentenced to life imprisonment Ross to increase the velocity of the fan from forty r forgery, made an offer to the penitentiary auto fifty revolutions per minute. Meanwhile the rites the other day which the Warden could not great majority of the men working in the north ept. It appears that a number of the convicts side of the pit, being warned of a disaster by an reengaged in blasting rock at the water works. A unusual concussion of air, escaped by the cage pit which communicates with the Ford by a tunnel. at was about to be put off, when Leturgey stepped About this time some men had arrived at the botand offered to sit on the blast as it went off, if om of the Ford shaft and some two or three of the y would allow him his liberty thereafter, dead or njured were hoisted to the surface. It was now e.... The barbers of St. Stephen have agreed o patent that a great calamity had occurred, and t was believed that 30 to 35 men working on the lose their business on Sundays.... The work of south side had been cut off from all means of escape. tting up telegraph poles on Grand Manan began Volunteers were called for, but were slow in com a the 8th inst., a large number of men being emng forward, which may in some measure be ac nted for by the dread of the late disaster being oyed.... As evidence of the extensive operations their minds. Finally, however, Messrs. Duncan cipated in lumber this winter it is said that Mr. IcKenzie, Fred Schurman and Rory McDonald been will employ some 800 teams on the Nashscended and attempted to enter the south side of mak and cut some 50,000,000 of logs.... The the working. They found the gas so strong that ritime Bank has practically closed its doors, they could only get a few yards and immediately returned to the surface and reported the facts as the notes are being redeemed in the banking

Subsequently exploring parties went down two or three different times. They found some bodies, but were compelled to return so quickly that not nuch could be done.

ersons who have not paid the eighth call by than described. Work had ceased ; hundreds of The old barn and shed in connection people had arrived from New Glasgow, Westville a Keeper Van Buren's house at the Suspension and vicinity. To the majority of the population dge have been torn down and a new barn and surrounding the works it was known that over fifty are being put up, only set farther back from toad. asses, one dose effects such a change of feeling as to astonish the sufferer. apr. 15-1yr.

Mr. J. K. Glenn, Harvey, N. B., writes, I have sed Wilson's Pulmonary Cherry Balsam with great dvantages in previous years. Recently I caught a severe cough with much soreness of the lungs. Renembering the great benefit I had derived from its ase, I at once resorted to it, and was cured as be

ACIDITY OF THE STOMACH .- Dr. Wilson's Family Anti-bilious Pills are a most powerful and certain remedy for the correction of those acidities, whether nduced by debility, from fat substances in the stomach, or impaired by excess. The torpid func-tions are stimulated, the blood cleansed, and the

ecretions of the bile and liver purified. Dr. Dow's Sturgeon Oil Liniment is a most effiient remedy for external diseases and complaints acidental to horses and cattle. It cannot be too strongly recommended for its beneficial effects, and is safely and successfully used in all cases.

NEARLY HALF A CENTURY !--- It is now over forty gears since BRISTOL'S SARSAPARILLA AND PILLS were Harmer of Fredericton. irst introduced to the public, and now, after that At the Fredericton Free Baptist Parsonage, on the irst introduced to the public, and now, after that long period of trial, they are universally admitted to be the best of all remedies for impure blood and humors, scrofula, old sores, and confirmed rheuma-tion

WE BELIEVE THE CAUSE of the wonderful success of our MURRAY & LANMAN'S FLORIDA WATER may

To the Editor of the Religious Intelligencer :

Dear Sir .- It is for the sake of suffering humanity that I give publicity to a remarkable cure in my case of what was believed to be *Consumption* and *Heart Disease*, from which I had suffered for about two years without finding any more than temporary relief from anything I had used, until I providentially met the proprietor of Graham's Pain Eradicator ally met the proprietor of Graham's Pain Eradicator in St. John more than four years ago, to whom 1 as at home. After months of failing strength sh stated my case, which was Distressing Cough, Pain and Soreness in my Chest, Palpitation and Distress of Christ was such as enabled her to calmly look forward to and Boreards in my Chess, it application and Distress of my Heart, Pains in my Head, Shoulders and Arms. On making a diagnosis of my case, he told me my disease was Chronic Inflammation of the Pleura and a bad form of Neuralgia. The correctness of his opinion was evident from the fact that for the people of God. While the family will deeply feel her loss, there are many others who will long venerate her memory. At the funeral, a sermon was preached from Proverbs 10, 7, "The memory of the just is blessed." pinion was evident from the fact that I was completely cured in one week by following his direcions, and in that time the only medicine used was one 25 cent bottle of his valuable preparation, GRAHAM'S PAIN ERADICATOR.

The scenes on the surface can be better imagined

The VEGETINE meets with wonderful success in the complaint for several years, and have tried different medicines with little or no benefit, until I tried cure of this class of diseases.

Dr. Thomas' Eclectric Oil, which gave me imme-If these warnings are unheeded, serious diseases diate relief, and I would say that I have used i Tetter, Salt Rheum, Scald Head, &c., will certainly yield to the great alterative effects of VEGETINE. since with the best effect. WONDERFUL CURE OF

DROPSY

was reduced very low ; could not walk across the room. In the meantime I had consulted all the doctors around,

saw my complaint described. He gave me the medicine, which I took, the No. 2 and 3 LIFE OF MAN BITTERS

and No. 1 Invigorating Syrup, with the Nerve Ointment and Vegetable Plaster, in all six bottles, and in six weeks

I was almost web; in ten weeks I was strong and able to work, and to day weigh more than ever I did in my life. I am a wonder to myself and all that saw me before

commenced taking your medicine and since. I do thank
