he actual difference in the fire test between the o articles is ten degrees. The Minister is giving his best attention to the bject in order that the coal oil question may be ttled satisfactorily to the Maritime Provinces.

### THE LOCAL LEGISLATURE. There has been comparative quiet in the Assembly

Hon. Mr. Adams laid before the House the reern which had been moved for by Mr. Johnson, of correspondence with Deputy Crocker respecting ree grants in Nelson, Northumberland County.

Mr. Blair moved that all Bills relating to the

that His Honor the Lt.-Governor had assented to acts enabling Trinity Church, St. John, to issue Wednesday .- Hon. Mr. Marshall presented the

Mr. Hutchison gave notice of an address for a return in detail of the great road and bridge expenditure for the last year, with copies of all conracts, statements of extras allowed and balances due, and all contracts determined upon but not pany, which is published at \$3.00 a year in Springentered into, with the estimates of the cost of confield, Mass.

Hon. Mr. Wedderburn presented the petition of the Carleton Branch Railway Company, praying for the extension of the charter of the Grand outhern Railway Company.

Hon. Mr. Adams submitted a return of all lumber out in Gloucester, stumpage collected, and seizures

McLellan moved the House into Committee on the Shear Boom Bill, and explained that it authorized the company to accept a lease of the boom company chartered in Maine and levy tolls on logs comng from the Aroostook River to the St. John River. Blair objected to the proviso legalizing a first meeting of the company, and Fraser expressed doubts as to the power of the Legislature to pass

the Bill. Progress was reported. The House went into Committee of the Whole on the Bill vesting the appointment of the Chief of Police of Saint John in the Common Council. Wedderburn could not endorse it. Elder said considerable difference of opinion existed among citizens on it. Marshall was not prepared to favor the Bill. McLellan hadn't quite made up his mind. Ritchie said it seemed to have no friend in the House.

Progress reported. House in Committe on the Bill for summary arrest of commercial agents on the warrant of the St. John Police Magistrate. Marshall explained its provisions. Passed. In Committee of the Whole on Bill relating to

solemnization of marriage, Wedderburn explained lishers, Boston. that the law requires alien ministers to get new Bill makes one license sufficient and legalizes able works just issued by Messrs. Robert Carter & license every time they change their pastorate. The Bill makes one license sufficient and legalizes marriages performed by such ministers acting in other side of the Atlantic, is one of its recommendiate visited at various times. But the miscreants do ignorance of the invalidity of their licenses. Elder suggested the Bill cover cases of ministers passing from one denomination to another. Fraser passing from one denomination to another. Fraser writings will long bless the world. They have also approved this. Progress reported.

praying for the passage of a bill incorporating the St. John Medical Society. On motion of Mr. Leighton the House went into Committee on the Whole on a bill relating to Agricultural Societies.

Mr. Leighton explained that it gave such societies power to buy, sell and mortgage lands. as to restrict the application of the money to agri- and constitute a volume exceedingly rich and in-

this bill he would not oppose it, though it might be best to strike out the word "mortgage." Hon. Mr. Fraser said that he quite agreed with the remark that power to enable societies to mortgage their property should be given very guardedly. The giving of such general power might lead to the effects of the late accident. abuses, but he saw no reason to refuse it to the Woodstock society. Progress was reported.

Mr. Cottrell moved for the appointment of an Agricultural Committee. Carried. The Speaker nesday. appointed the following: Messrs. Cottrell, Lewis, Leighton, McManus, Johnson, Morton, Theriault Hutchinson, Woods, Barberie, Elder, Covert, Bev-

eridge, Black and Colter. Hon. Mr. Landry submitted a return of all papers | for the Presidency. in reference to the lower bridge over the Waweig river, Albert Co.

bill to amend the charter of the Shear Boom Co. Mr. McLellan said the Hon. Attorney General had suggested some amendments, to which he had asection had been made.

The bill was agreed to, with amendments. On motion of Mr. Butler, the House went into Committee of the Whole on a bill to provide for the biennial election of County councillors. Mr Butler said elections engendered heart-burning and strife among the people, and this bill would lessen it one-half. Time was lost in attend ing elections and this would reduce that evil. councillors gained knowledge and facility for doing second year for the performance of their duties. The continual change of councillors involved too frecouncillors could be trusted for two years. Several members spoke favorably of the bill, and

progress was reported.

### MARRIED.

At the Fredericton Free Baptist Parsonage, on the 29th lt., by Rev. Joseph McLeod, Miss Letitia White to Mr. Edward Dunlap, both of Queensbury, York Co. At the Fredericton Free Baptist Parsonage, on the 24th ult., by the Rev. Jos. McLeod, Miss Mary Jane Henderson to Mr. Geo. McLeod, both of Southampton, On the 1st Jan., by the Rev. Aaron Kinney, Oliver

Kelly and Miss Catherine Kinney, all of Lutz Mountain. On the 9th March, by the same, Robt. C. Madison to only gives relief to the horse, but by persevering in At Pubnico, 3rd ult., by Rev. Wm. Miller, Mr. White use, effects a permanent cure. On the first attack man Hines to Miss Elenoria Montague of Pubnico. At Lower Argyle, 7th ult., by the same, Mr. John McIsaac of Greenfield, to Miss Louisa Tinson, of Argyle.

### DIED.

At Upper Gagetown, March 16, Almeda, wife of Chas I. Gunter, and daughter of the late Albert Coy. A few weeks after marriage she took cold, which resulted i typhoid fever. She lingered along some eight months rother, a mothey and step-father, to mourn their loss. On January 14th, of consumption, at Upper Queen ary, where she lived till her death. She maintained a pristian character, and was much respected and beloved y all who knew her. Just a few minutes before she assed away she expressed her strong hope in the Saviour, ringing through the air, the gathering of the game, and said she had no fears. The funeral was attended by

The World's Favorite!

1,300,000 IN USE.

The only MACHINE which received the FIRST PRIZE, A GOLD MEDAL, at the last World's Fair at

The only MACHINE which received TWO DIPLOMAS of HONOR and TWO MEDALS of MERIT, at the Centennial Exhibition, at Philadelphia in 1876.

And the only MACHINE which eve received FIRST fachines competed.

THESE JUSTLY CELEBRATED

Cariff, one can be obtained at about the same price as the ordinary Cheap Machines usualty sell for on time.

The principle qualities which recommend them over the Common Machines in use, are—

They make the same "LOCK STITCH" as Shuttle Machines, but use simply a Metal Speol for the under thread, thus doing away with the trouble and delay of threading the Shuttle. All parts of the Machine are made so perfectly "true

itting," that any piece can be duplicated and put in

place by an ordinary mechanic, or experienced lady operator, without the aid of a regular Sewing Machine

All parts, which require to be, are made of the Finest Quality of Steel, while even the Castings are of such Suerior Quality that they defy comparison. THEY RUN LIGHTER, AND MAKE LESS

NOISE, AND ARE MORE SIMPLE TO LEARN THAN ANY OTHER

MACHINE.

tant of all they make THE MOST may161y PERFECT STITCH obtainable with a Lock Stitch chine, as a comparison with the Stitch of any Shutle Machine will easily prove.

MACHINES sold on Monthly Payments, Notes and at LOW PRICES FOR CASH.

All Orders addressed to our Principle Office for New Brunswick, No. 80 King Street, will be promptly at-Instruction Books accompany each Machine. Send for Illustrated Price List to
