CURRENT TOPICS.

We are enabled to state that the stories lately current about their Royal Highnesses the sons of

the Prince of Wales, now on a cruise in the Bacchante, are untrue. It is not the fact, as has been foolishly asserted, that the young princes have been tattooed on the nose with an anchor. The tale when brought home was received with well-deserved incredulity, and it was felt that their own common sense, not less than the care of those about them, ately. would be the best guarantee against any such absurdity as that which has obtained an unmerited currency. The truth is that, as when, for instance on crossing the line certain traditional ceremonies

undergone by H. R. H. the Duke of Edinburgh, Count Gleichen and nearly every other sailor, amusement of placing on their faces the representabeen reported as if they had been really tattooed. Childers had the honor of dining at the Governor's Upham & White's tannery, Sussex, Tuesday. His
