His head o 6 o'clock, P. M. and face was swollen so that he was blind, and one of his limbs were badly swollen and discolored, and broke out in several places and discharged. Seven bottles cured him and he is now Last spring I was troubled with a disordered stomach,

Satisfied that this condition of things arose from poverty of the blood, I took two bottles of VECETINE; t cured me, and I am satisfied it is the best tonic and blood purifier in the market, and am only two happy to make known these facts to the world.
