THESE JUSTLY CELEBRATED Sewing Machines

HAVE BEEN GREATLY REDUCED IN PRICE, THE construction of Lock Gates advertised to be let on the 3gp or JUNE next, is unavoidably post. Tariff, one can be obtained at about the same price as the ordinary Cheap Machines usually sell for on time. The principle qualities which recommend them over the Common Machines in use, are—

They make the same "LOCK STITCH" as Shuttle Machines, but use simply a Metal Speol for the under thread, thus doing away with the trouble and delay of All parts of the Machine are made so perfectly "true fitting," that any piece can be duplicated and put in place by an ordinary mechanic, or experienced lady operator, without the aid of a regular Sewing Machine

All parts, which require to be, are made of the Finest Quality of Steel, while even the Castings are of such Su-perior Quality that they defy comparison, THEY RUN LIGHTER, AND MAKE LESS NOISE, AND ARE MORE SIMPLE TO LEARN THAN ANY OTHER

MACHINE

tle Machine will easily prove.
