MR. H. R. STEVENS-Dear Sir: I have had your FAMILINE in constant use in my family for more than a year, and find it is an invaluable remedy for the many complaints for which it is recommended, the chief of which, in my family of four small children, seems to be Croup. Were it not for your Family Balsam, I should hardly dare close my eyes in sleep. It instantly relieves Croup; also is an excellent medicine for Coughs and Sore Throat. Too much cannot be said in praise of it. I have recommended it to many others, who have tried it with equally good results.

Very gratefully,
